Michelle,

I have not had the pleasure of knowing you all my life, but the time we've had together has been most enjoyable! I hope that we can keep in touch after graduation. I plan to eventually be in California. So: may I visit for a month or life? I hope you say yes! Well, anyway I've really enjoyed getting to know you these past few ~~weeks~~ months! You are a fun girl, I love ya' a lot!

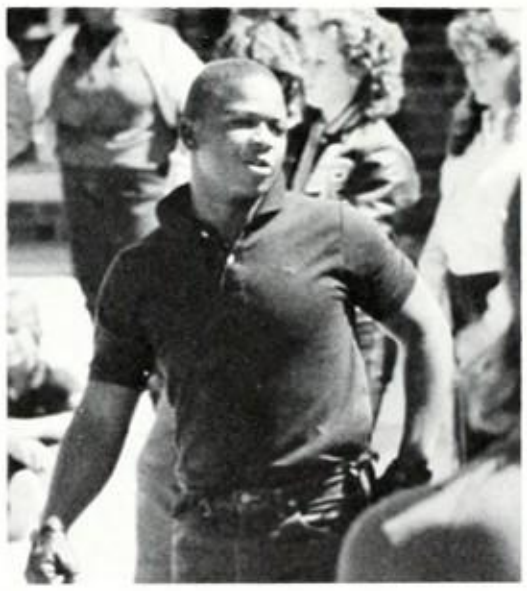
Michelle,
You have really added a cheerful addition to our little family here at South (el am glad that I had someone to go (baacaahn!) wild with! Have a great summer here and a Calif., and don't even think twice about coming to see me! (think once and come right on over!) Have a good first year at college! Stay in touch w/me! Take care of your crazy self.

FRIENDS AND FACES

You probably recognize some, if not all, of the people on these pages. These are just some of the many friends and faces that made the 1983-84 school year the great year that it was.



P.S. Remember to behave at parties! I know you will!

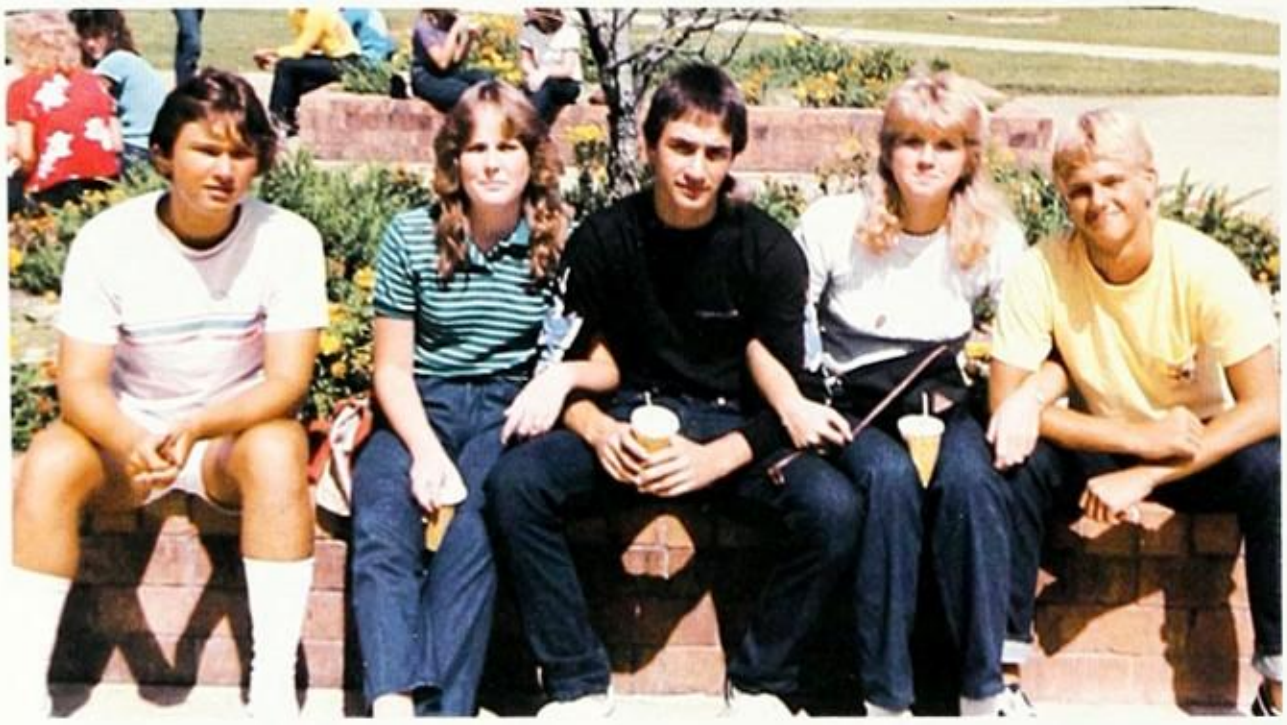
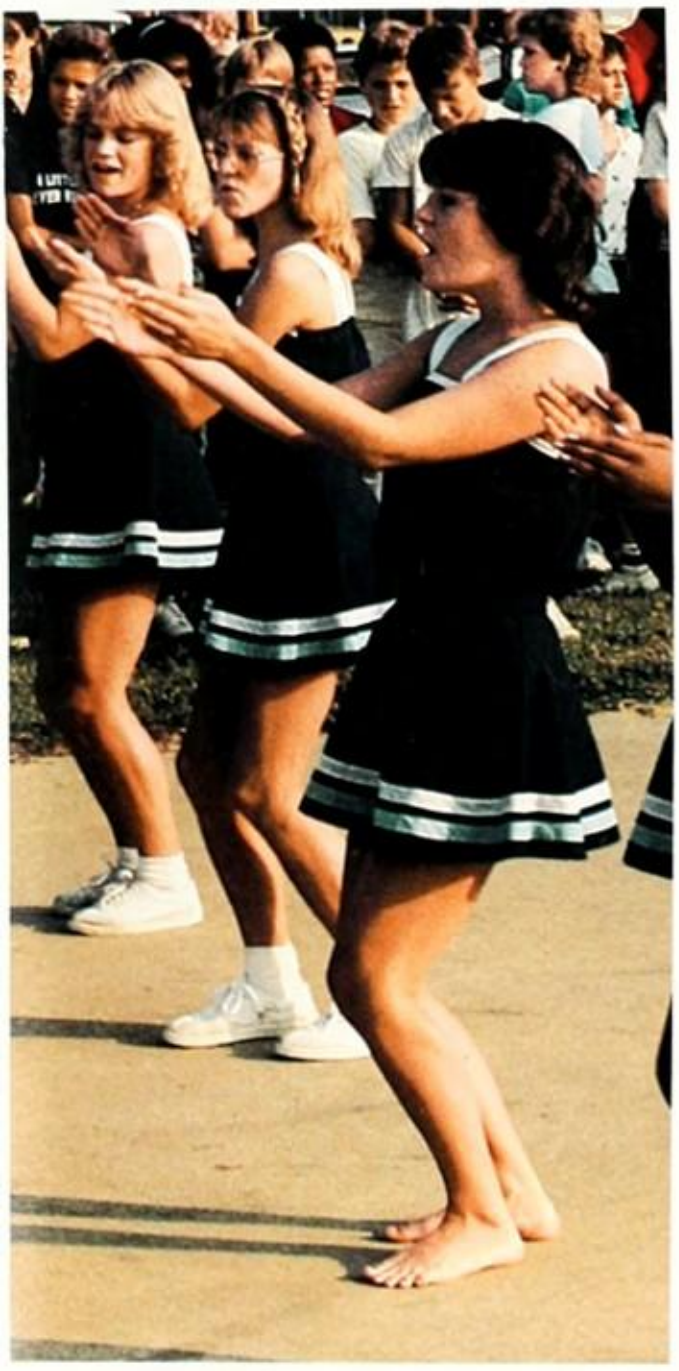
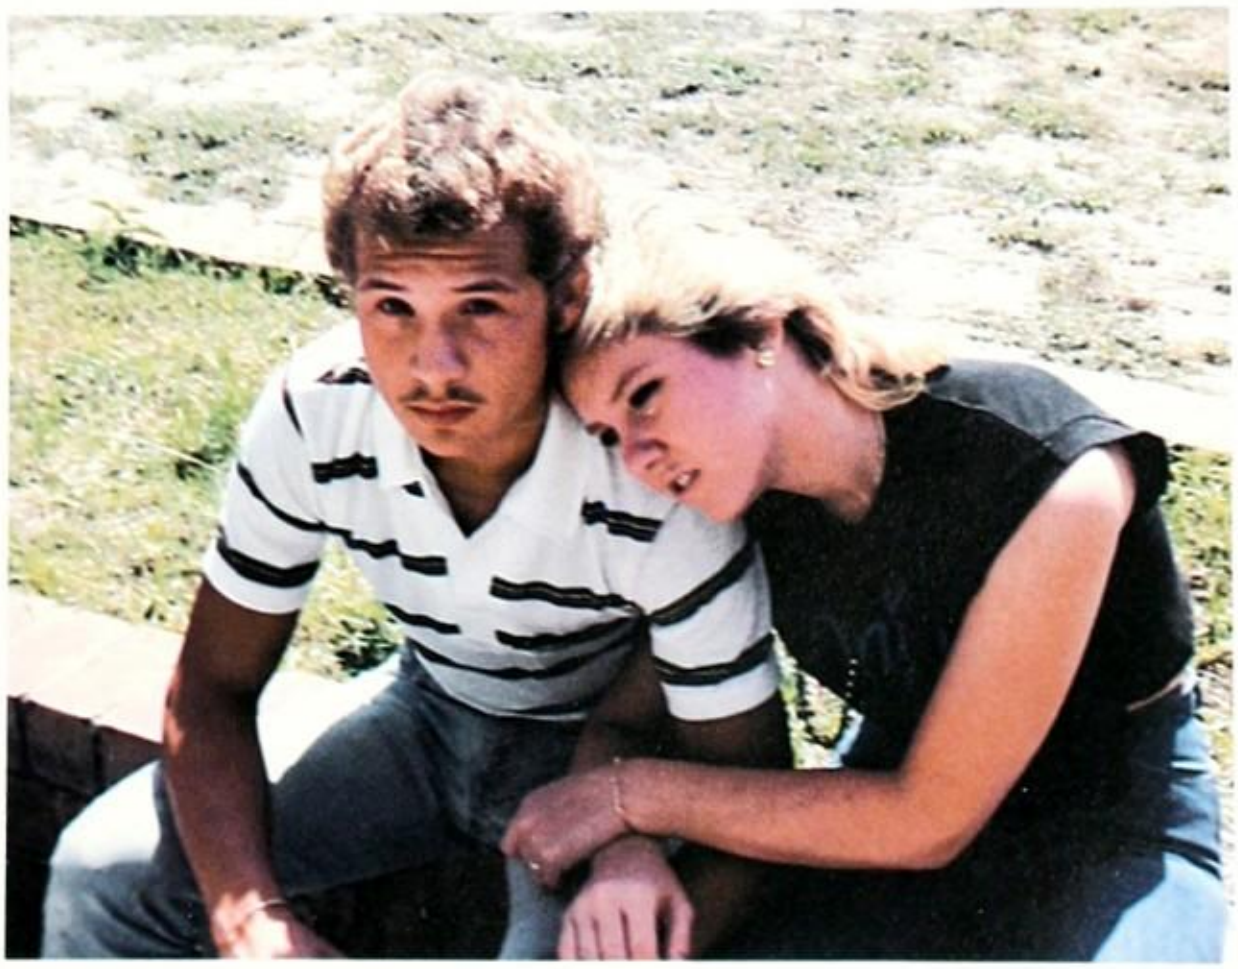
COUGARS TURN TO FALL

AS SUMMER VACATION CAME TO AN END, THE THOUGHT OF SCHOOL ACTIVITIES WAS ON THE MINDS OF MANY STUDENTS AS THEY WERE REUNITED WITH THEIR FRIENDS. PEP RALLIES, FOOTBALL AND VOLLEYBALL GAMES, AND CLASSES WERE SOME OF THE THOUGHTS THAT EACH STUDENT PONDERED. AT EACH PEP RALLY SCHOOL SPIRIT AND ENTHUSIASM DOMINATED ALL OF THE CLASSES. THE CHEERLEADERS SHOWED GREAT SKILL ORGANIZING THE EVENTS. COUGAR FANS CAME TO CHEER THE TEAMS ON TO VICTORY.

FALL SIGNALLED A NEW BEGINNING FOR THE STUDENTS AND FACULTY OF SOUTH. MUCH OF THE FIRST WEEK WAS SPENT IN EFFORT TO MAKE SCHEDULE CHANGES AND DISTRIBUTING BOOKS. IT WAS THEN TIME FOR STUDENTS TO SETTLE DOWN AND BEGIN THE PROCESS OF LEARNING.







The halls of South were graced with many happy, shining faces as students worked, played, or spent time with their friends between classes.

Students at South participated in various activities. Whether it be clowning around, pepping spirit, intelligently thinking, or sarcastically showing that "they had nothing to hide!" The days were never boring to those who were innovative and found ways of amusement between absorbing knowledge.

COUGAR HOMECOMING '83

The most exciting week in a school year is, undoubtedly, Homecoming. This year was no exception. The week started out well for the seniors as they chose gophers to do all those little tasks that just aren't that much fun. Some of these included carrying seniors' books, escorting them to class, and standing in the lunch line for a senior. Punk day was very unusual this year. The freaks took South by a storm. Blue and orange hair was everywhere you looked, as well as some really strange looking clothes . . . no one was normal that day. The best day of all, however, was Thursday. Senior togas and a really awesome pep rally raised school spirit.

The juniors, freshman and sophomores, really got into the Cougar spirit with tacky day, bum day and the 50's. Everyone felt that we had a great week. The football team worked hard and put up a good fight, although they were defeated by Tabor city. Homecoming Night ended with a dance in the school gym.

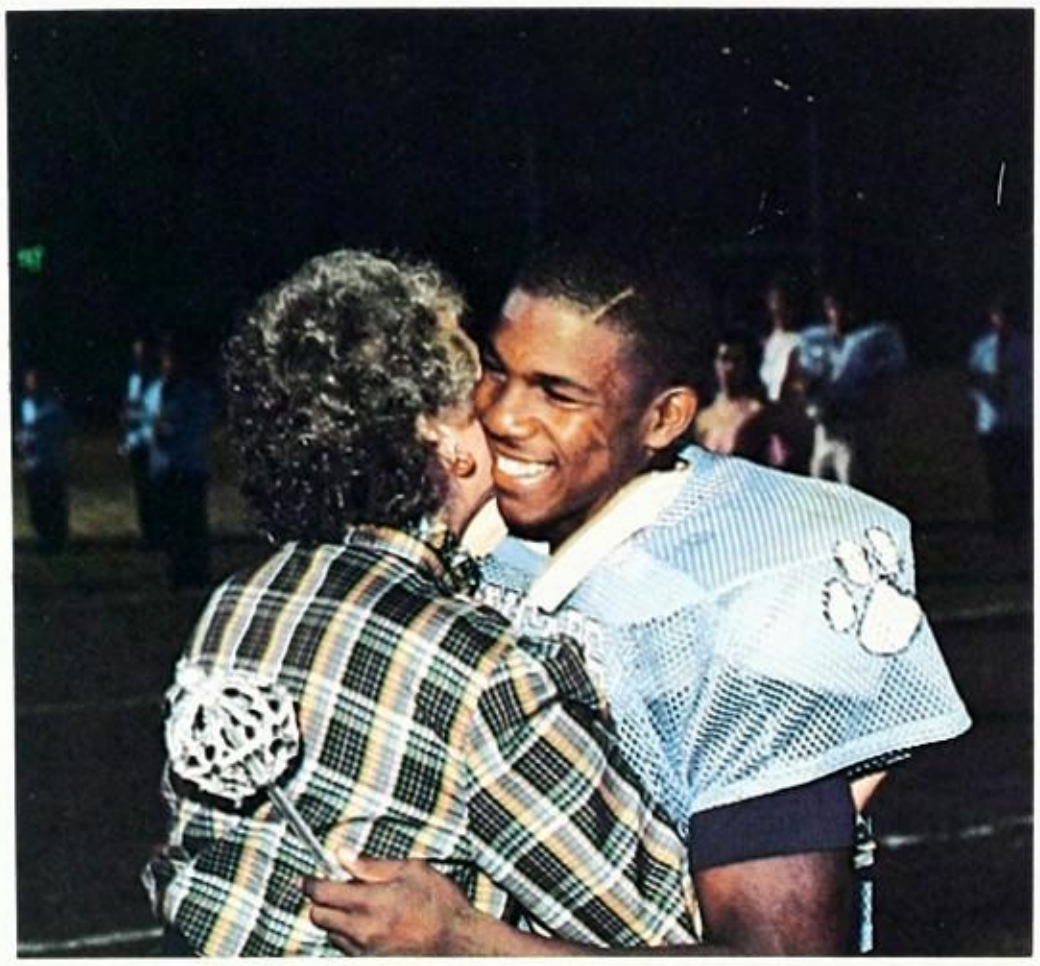
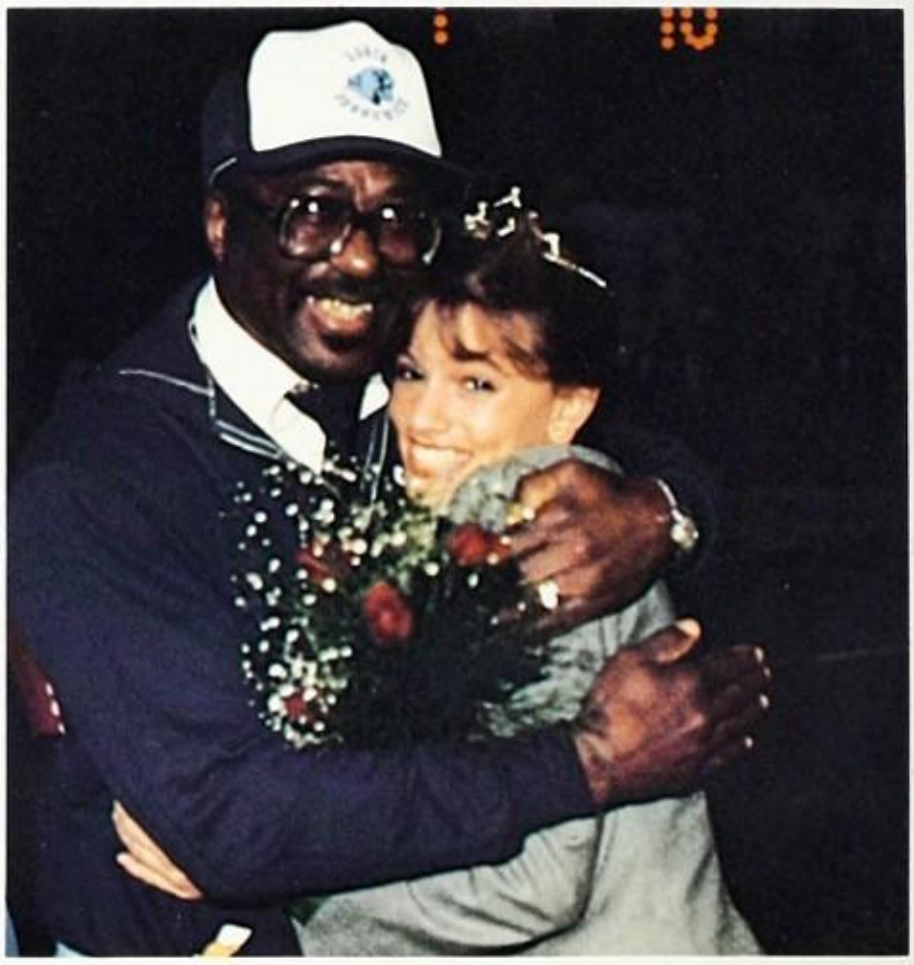
PAGEANTRY AT SOUTH

Homecoming night was filled with excitement and anticipation as the time neared for the crowning of the Homecoming King and Queen. The King was Kenneth Bryant. The Queen was Candy Cain. The senior court consisted of finalists Heidi Harvell and Regina Jones. The finalists for King were Donald Dixon and Adrian McCracken.

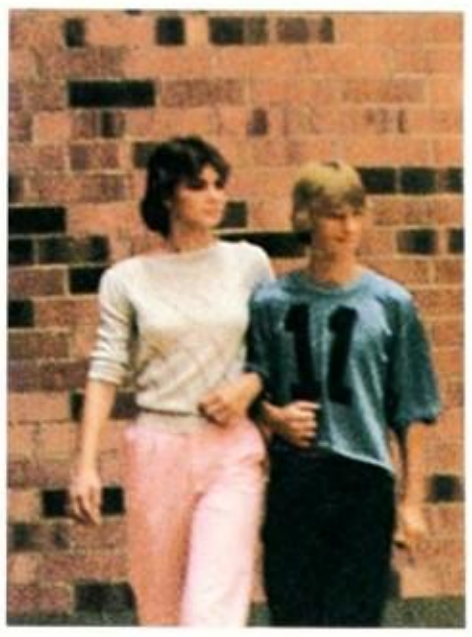
The junior class representatives were Tonya Moore, escorted by Lorenzo Smith; Candi Somers, escorted by Kenneth Carter.

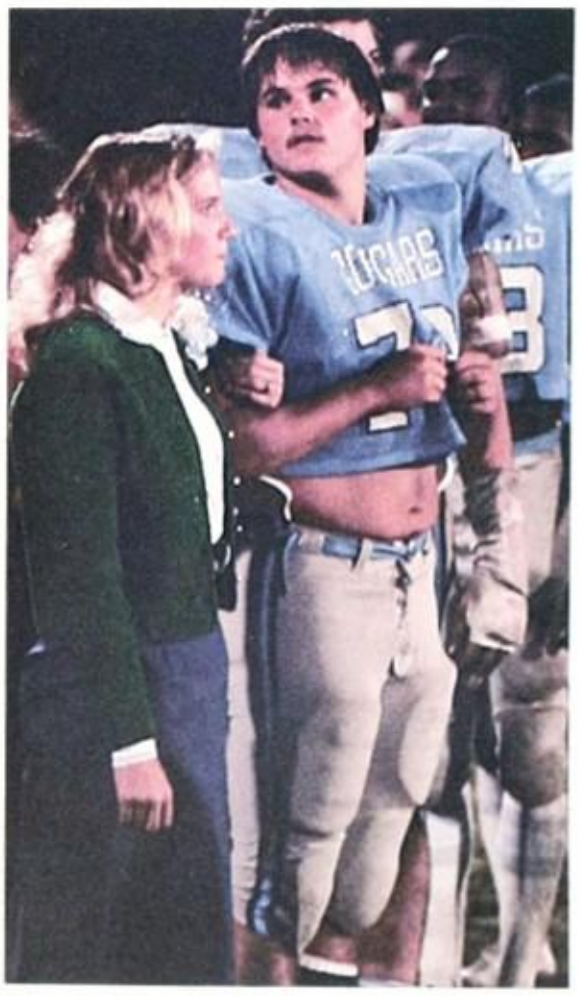




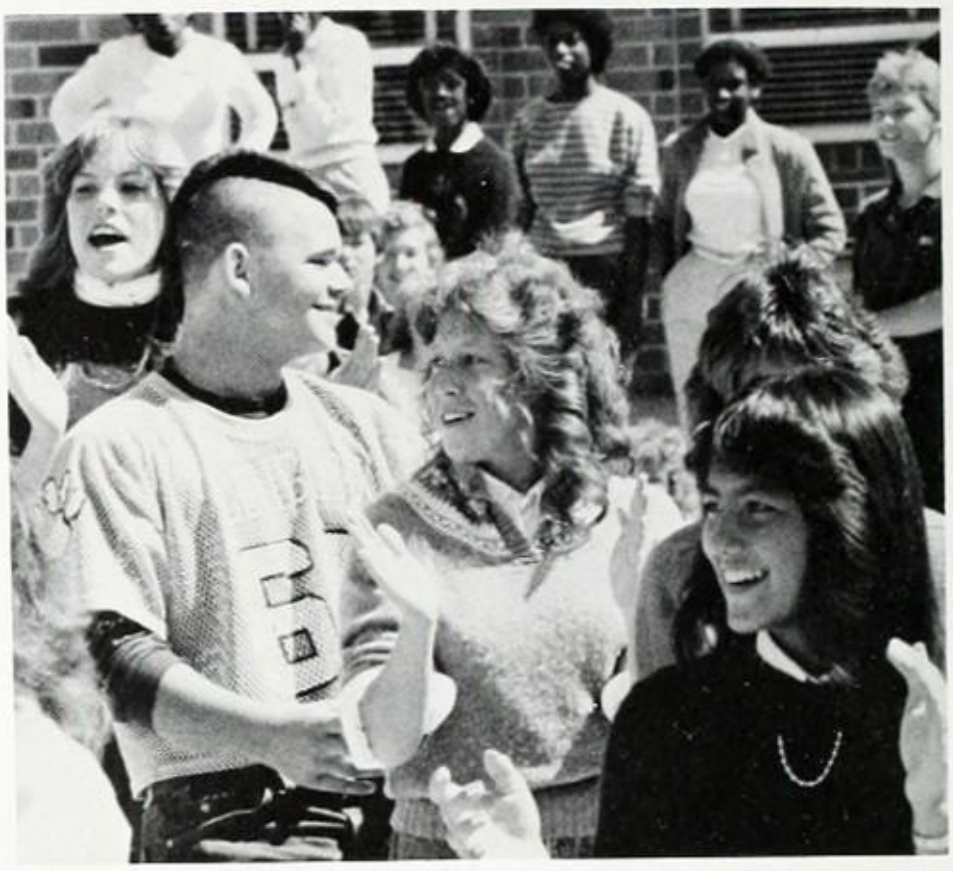
The sophomore class representatives were Angie Lewis, escorted by David Carper; LaTrisha McKenzie, escorted by Bryan Alford.

The freshmen class representatives were Laura Rivenbark, escorted by Andy Hewett; Chantal Wall, escorted by Michael Davis.





LIFE AT SBHS



It seemed as though something was always happening at South. Assemblies took place, students cheered, friends shared secrets and jokes, and above all, education was achieved.

THE CLASS OF 1984

Reach back for the joy and sorrow,
put them in your mind
For mem'ries are times that you
borrow
To spend when you get to tomorrow
so gather moments while you may
collect the dreams you dream today —
remember.
Will you remember the times of your
life?

LIFE AFTER HIGH SCHOOL

Even though it seems like the end, it is really the beginning of a whole new life. For some students, there will be more school; for others, there will be the armed services. Some students will be acquiring their first jobs. And each Senior is working toward achieving individual goals.

The memories of high school will last forever; each good, each bad. We realize that there will never be future years that can compare to those of our high school days. The boyfriends and girlfriends, the dreams of the future, the last-minute studying. They will all be gone and the actuality of what life is all about shall meet us at that stage.

Fargone are those days of petty thoughts and childish dreams. Fargone are the little laughs and giggles. Reality is coming forward at a high speed and showing us that life after high school is a truth.

SENIOR SENIORITY

Wasn't it only yesterday when we, the Class of '84, wondered if we would ever get a chance to be at the top — to be Seniors? Being a Senior was a very special feeling that we will always remember. Hectic — yes, exciting — yes, even a little scary; but it was definitely unforgettable.

SAT's, college applications, and Senior privileges were all part of a Senior's life at South this year. Senioritis was, at times, an epidemic, as some began to wonder if graduation would ever arrive. The Senior Class of '84, filled with tears of joy and sadness, would soon be history. None of us will ever forget how it felt to be on top — truly to have Seniority!

Michelle,
It was been a great 2 years!
I wish you could have gotten here sooner as we could have become better friends. I think that you are a really great person and I hope that you get all that you want out of life! God bless you and have a great summer. Maybe we can get together this summer and have some fun!
Love,
Susan

THE CHALLENGING LIFE OF A JUNIOR

History, Chemistry, Algebra II: these are some of the courses the Juniors are taking this year. Some are harder than others, but since they are required courses, the Juniors accept the task of learning through these courses.

The Juniors this year were required to take the State Competency Test. The test was given the first six weeks of school and a make-up test will be given during the spring of the new year. The Competency Test is used to determine whether a student has basic survival skills in Math and Reading. Job interest skills are also included.

The Juniors' lives are busy throughout the school year. Learning, experiencing, and preparing for their senior year, graduation and perhaps college.

JUNIOR TRADITION

The Junior Class has been particularly active this year, in raising money for the Junior-Senior prom, participating in sports, clubs, Homecoming and just about everything else.

This continues a tradition of outstanding achievement started long ago by the first Junior class of South Brunswick High School.

We have tried to follow the examples set by the Seniors. They have become leaders of our school, just as we hope to do when we become Seniors.

We shall never let the high statues of South Brunswick High School drop. These being excellence in sports, academics, and citizenship.

School always brings new experiences. Some, however, are not always what we have in mind. School for a sophomore is a way of life. Now that they are all well adjusted to high school, and a long way from graduation, there isn't much for a sophomore to do to break the monotony. Sophomores are just getting by, waiting for something to happen.

Pep rallies, ball games, and dances break the boredom and restlessness that sometimes seems to grip a school's students. To hear the roar of the other classes at pep rallies always brings a good response from the sophomores. It if weren't for the Seniors, the Sophomores might win the spirit stick every time!

The games are great at South. Last second jumps saving the game, slams, jams, and dunks all add excitement to the game, and the cheerleaders! What better way to get the crowd going! There's nothing a Sophomore likes better than winning! Especially when a dance follows the game!

FRESHMEN

The hardest thing for a Freshmen to do is to adjust to the rigors of High School life. Here at South, adjusting is sometimes harder because the difference between Middle School and High School are so great. Freshmen must learn to be responsible, disciplined, and punctual.

Freshmen must be responsible to take on the increased effort that High School teachers demand from their students. Freshmen must be disciplined so that they will not violate any of the numerous School Rules. And most importantly, Freshmen must be punctual. After all, it is hard to run from class to class without being tardy when someone doesn't know their way around.

ADMINISTRATION
PRINCIPAL
MR. MOSE LEWIS

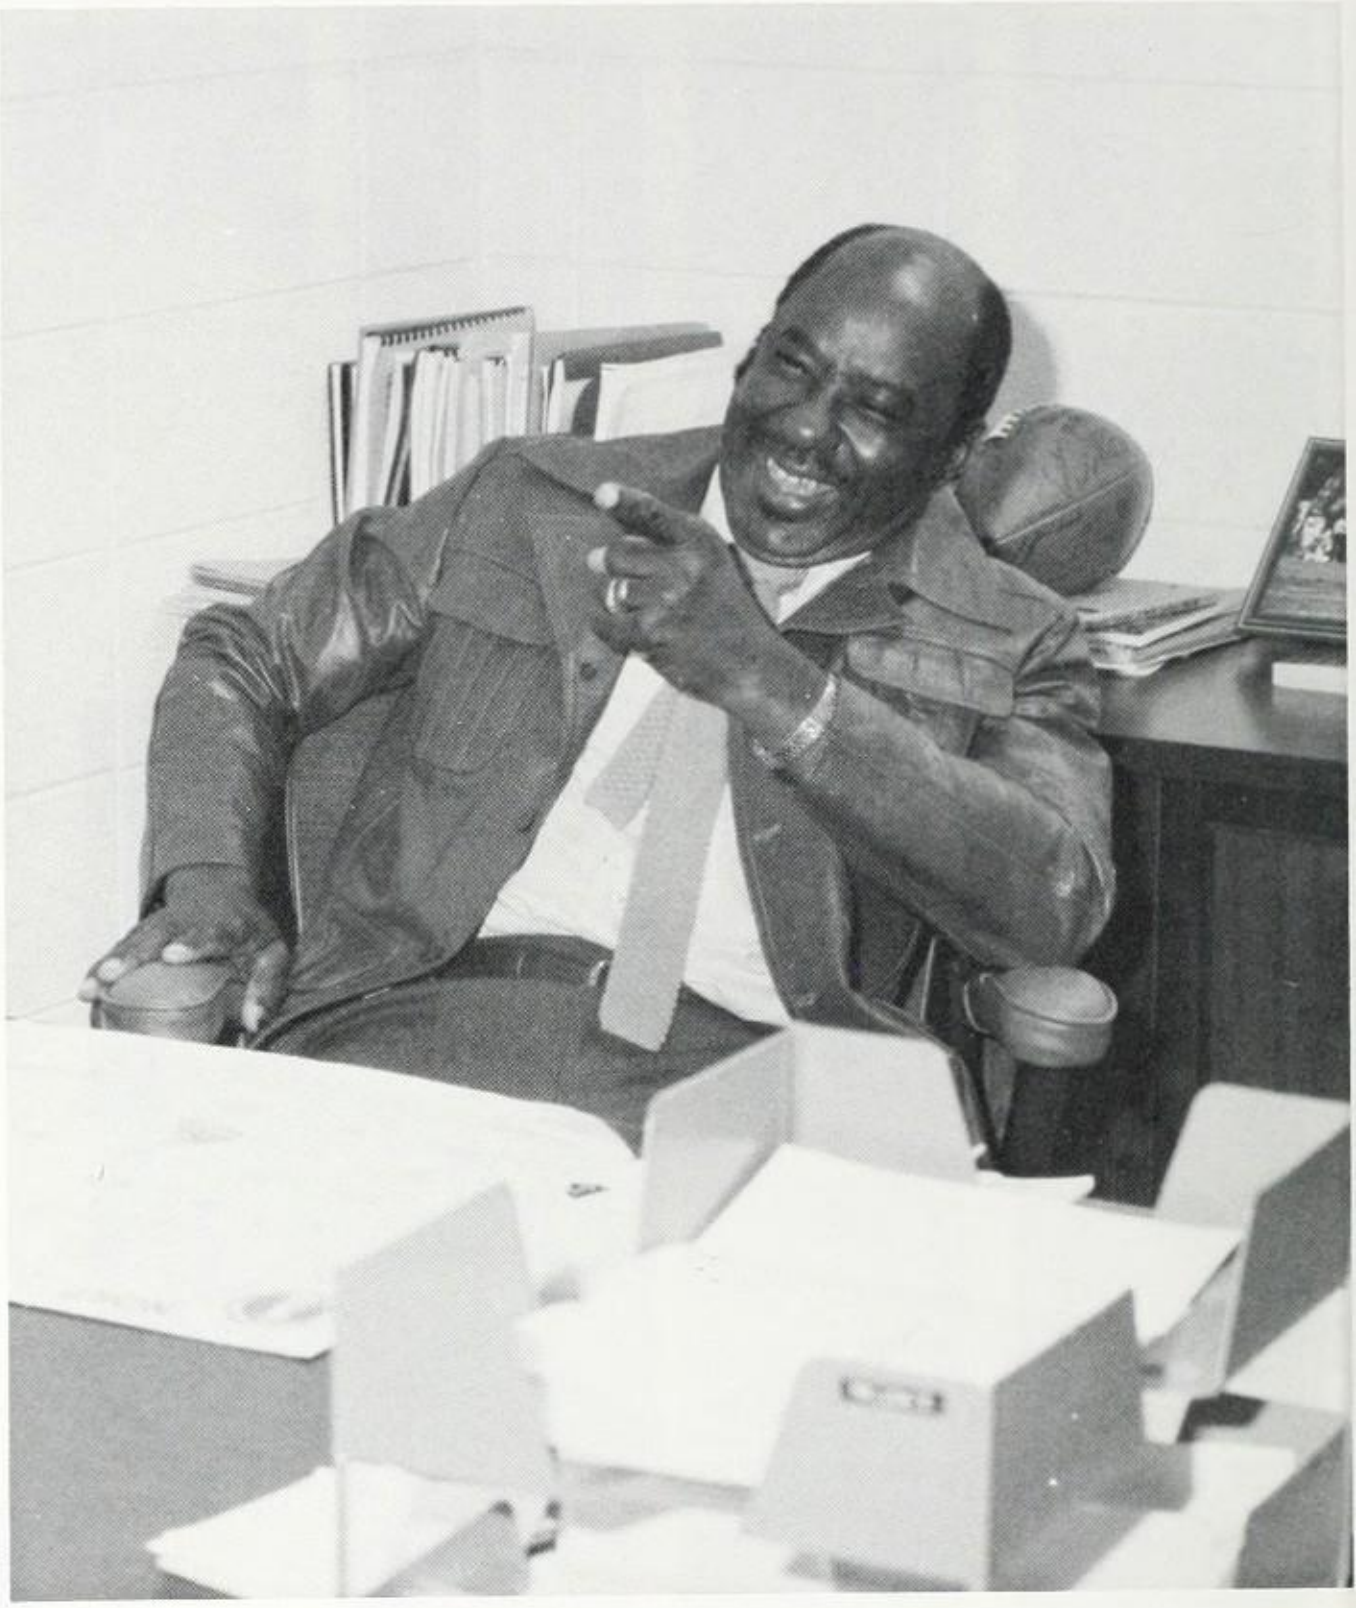
TO THE STUDENTS

It is already tomorrow. Time, which never stops on its journey, will pass before your eyes, and in only a few moments you will be members of the community looking back on the years you spent at South Brunswick High School. When you do, the photos, facts, and memories in this book will be your stepping stones to a happy reminiscence.

May your memories of South Brunswick be pleasant ones and may your futures be filled with happiness and success.

With every wish for a bright tomorrow.

Mose Lewis



ASSISTANT PRINCIPAL
MRS. CLARA S CARTER

"Elevate your mind, get yourself together!" When the game has gotten out of hand and things have looked bad for the home team, that cheer has reverberated through the sports events at South Brunswick High.

In this time of high technology and stiff job competition, the message to "elevate your mind" is appropriate for every student at South Brunswick High. A student who aspires to a vocation that is more than a job must begin now to set priorities. He/she must set aside childish games, mundane problems, and set goals for the future. Such a student must learn to take advantage of every learning situation.

Clara Carter

OFFICE STAFF OF SBHS

When you get to be rich and famous, you may think, "Those ladies in the office sure did help me during my high school years. They were so nice and the counselors helped me to pick out a college or career that led me where I am today! But, I can't remember who they were."

So, just for you, COUGAR STRIDES proudly presents to you the South Brunswick High School Office Staff and Guidance Staff!

Michelle,
Glad you
are here at

CAFETERIA STAFF

As you look back on the people and experiences you knew during high school, you may recall that special pizza or taco you had. How good it smelled and how delicious it tasted. The cheese still lingers in your mind! But, you may not remember who prepared that extra special lunch.

So, just for you, we now proudly present the extraordinary, the famous South Brunswick High School Cafeteria Staff!!!

Standing: Linda Stevenson, Louise Paro, Ann Locklear, Mary Lou White — Manager, Gwen Davis.
Sitting: Elise Klink, Catherine Emory, Kathy Creech — Assistant Manager.

CUSTODIAL STAFF

Cleanliness is important to have in a school. OH, you don't think so?!? Well, who wants to walk in halls that have five inches of dirt built up or be mobbed by trash as you struggle to get to an overflowing wastebasket? How would you like it if you couldn't even see out of a window because of all of the dirt and grime?

So, now, COUGAR STRIDES presents to you a special group who keep our school clean for us. The great, the fantastic SBHS Custodial Staff!!!

Left to right: Tommie Wicker, Mavis Turner, Evangeline Bounsell, Beverly Pigott, Odell Williams, Beatrice Coatney, Eligah Johnson.

ACADEMICS

ENGLISH

Are you a good speller? What about punctuation? How are you at writing paragraphs and essays? If you can do any or all of these things well, you should thank your English teacher. She helped you in developing these important skills. This year South Brunswick had some great English teachers.

The English teachers were Mrs. Ann Hines, Mrs. Marianne Gore, Mrs. Charleen Letsen, Mrs. Angela Metts, Ms. Sue Sellers, Ms. Gloria Yount, Mrs. Carmel Lumsden, and Mrs. Sarah Wynne.

A very important part of the English department was the Journalism classes. Students from these classes composed the OURS staff. The reigning Miss South Brunswick High School, La Trisha McKenzie, was originally enthroned first runner-up. Lisa Sell graduated early, thus, relinquishing the crown. La Trisha McKenzie presented an oratorical performance at the South Brunswick High School pageant. The pageant was presented annually by the OURS newspaper staff. The pageant was a fund raising activity for the OURS staff. The pageant was successful financially and with its placement of contestants in other pageants.

COMMENT ALLEZ-VOUS?
¿COMO ESTA USTED?

If you understand these questions, you were probably enrolled in a foreign language class here at SBHS. The foreign language department offered two foreign languages this year: French and Spanish. The courses are offered as two year classes but students may continue in a third year under an independent study format. If a student plans to go to college, he is usually required to have a least two years of of study in a foreign language in high school.

In these classes students learn how to speak, read, and write the language that they are studying. They also learn about the countries in which that language is spoken and their customs. The foreign language teachers were Mrs. Gore (French) and Mrs. Lumsden (Spanish).

Upper Left: Mrs. Lumsden drills the class in Spanish preposistions. Left: Mrs. Gore teaches a lesson in french geography to one of her French I classes. Lower Left: Rosemary Gore begs for money as one of her French Club initiation tasks. Below: Scott York and June Matthews dance in the courtyard during the French Club initiations.

FINE ARTS

The Fine Arts classes at SBHS are an outlet for artistic expression for many of our talented students. At South, secondary art, music, and drama were offered. Secondary art was taught by Mr. Mike Goins. Our band director was Mr. Steve Skillman. Mrs. Gloria Yount was the drama teacher and Mrs. Mary Sljaka was the chorus teacher.

MEDIA

Whether you need reference materials for a research paper or just want a good book to read, the library was the place to go. If you had any problems finding what you needed, Mrs. Hewett and Mrs. Carrol were there to help you out.

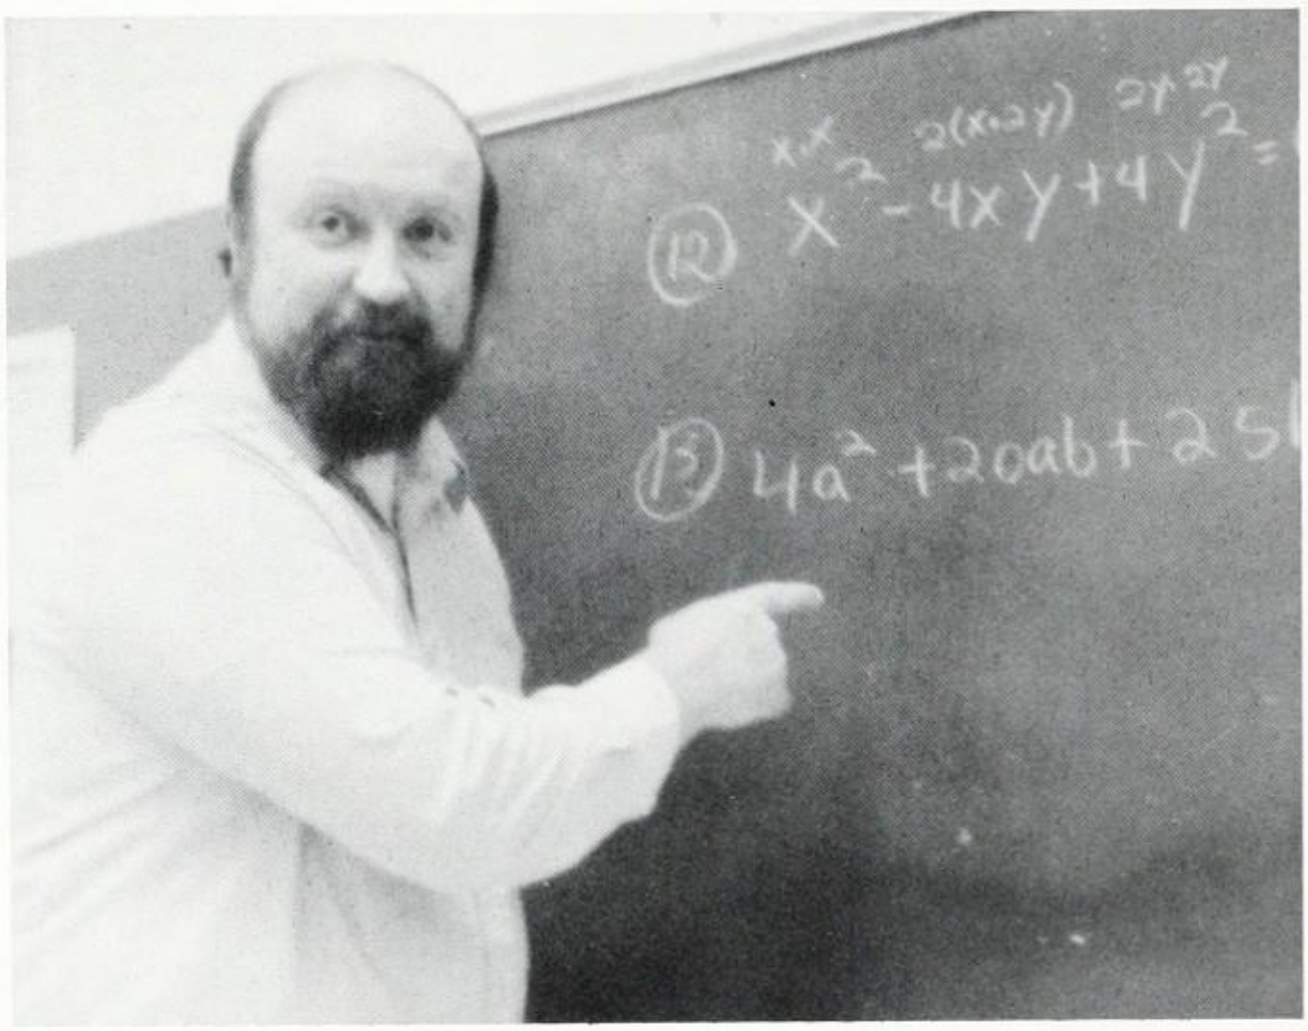
DRAMA

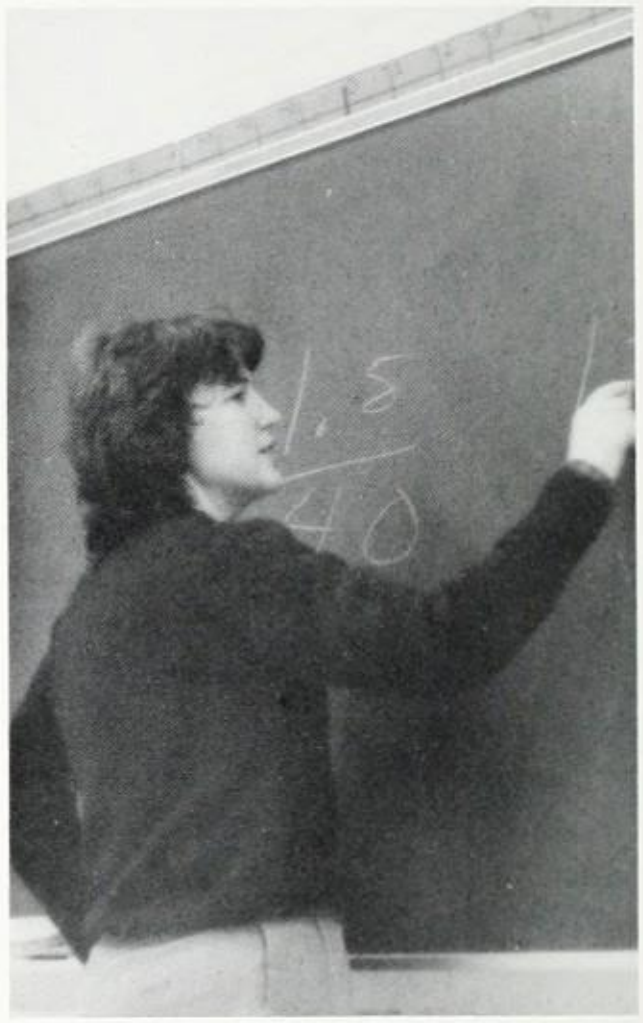
The SBHS Drama Class was without a doubt a new breed of performers. They studied long and put forth much effort to exemplify their talents and prove that they were capable of the assignments set forth by Ms. Yount, drama teacher. The classes most important projects were the productions of Look Homeward, Angel and The Matchmaker. Other projects included a guest visit to Toastmaster's, a local speech club; a patronage to The Brunswick Player's Carnival; and sponsoring an open-school trip to New York City during the Spring of 1984.

Members of the SBHS Drama Class were: LaRinda Hagewood, John Hill, Bryan Alford, Terri Ramm, Tamera Potter, Rebecca Best, Karen Briggs, Kathy Somers, LeAnne Banks, Donna Burton, Sabrina Swain, Bonnie Smith, Sheila Butterworth, B.J. Midyette, Julie Henry, Geno Hart, Todd Parker, Randy Fullwood, Ricky Benton, Roy Daniels, Sandra Sullivan, David Henderson.

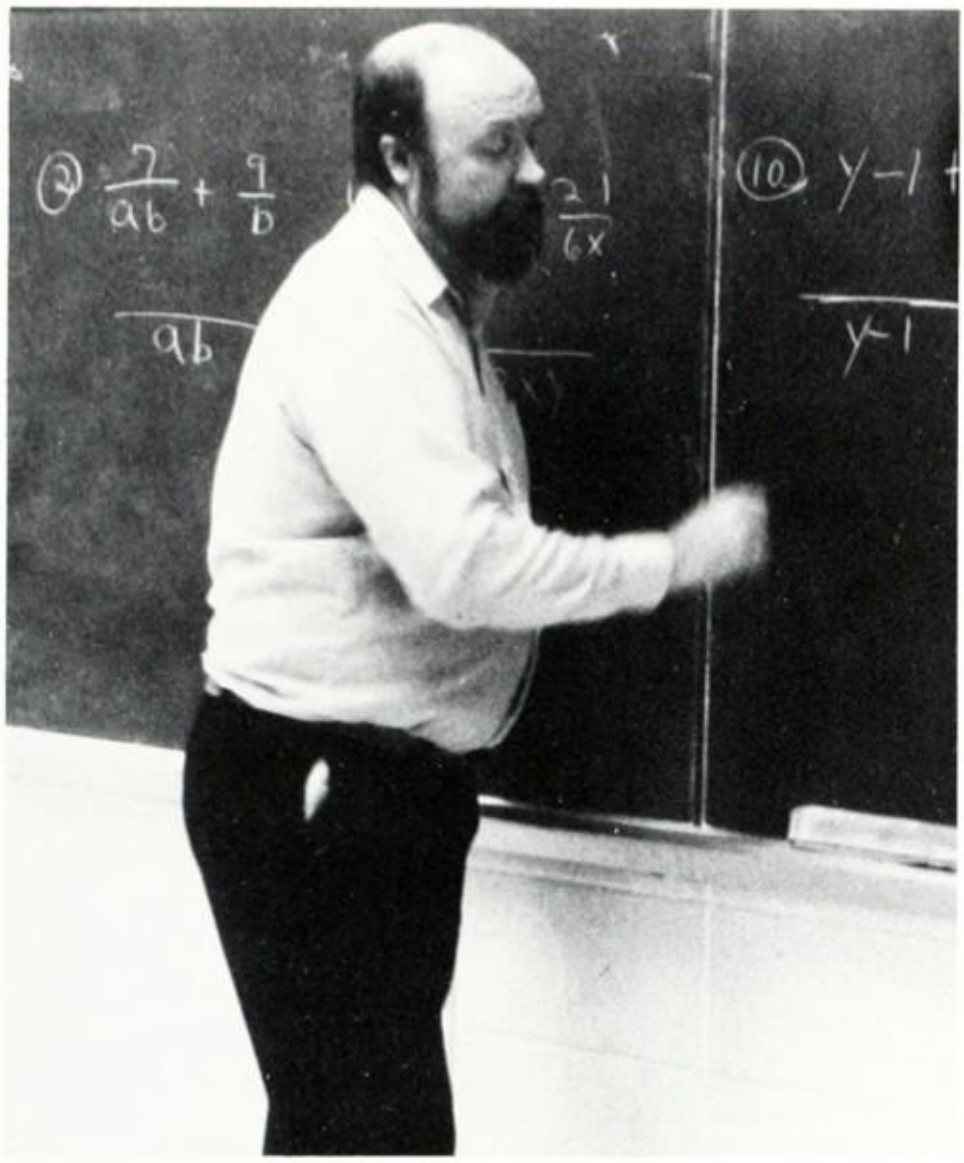
MATHEMATICS

As the years go by, it becomes more and more important to know math skills in order to get a good job. And when it came to math teachers we had a great group! They taught you anything from commercial technical math to calculus. If you had any trouble with your math, they would gladly offer their assistance.





The math teachers were: Mrs. Margaret Poe, Mrs. Mary Williams, Ms. Bernarda Carden, Mrs. Daisy Eagles, and Mr. Simon Shew.



The math courses offered at South this year were: Consumer math, Pre-algebra, Algebra I, Geometry, Algebra II, and Computer Programming.

COMPUTER PROGRAMMING

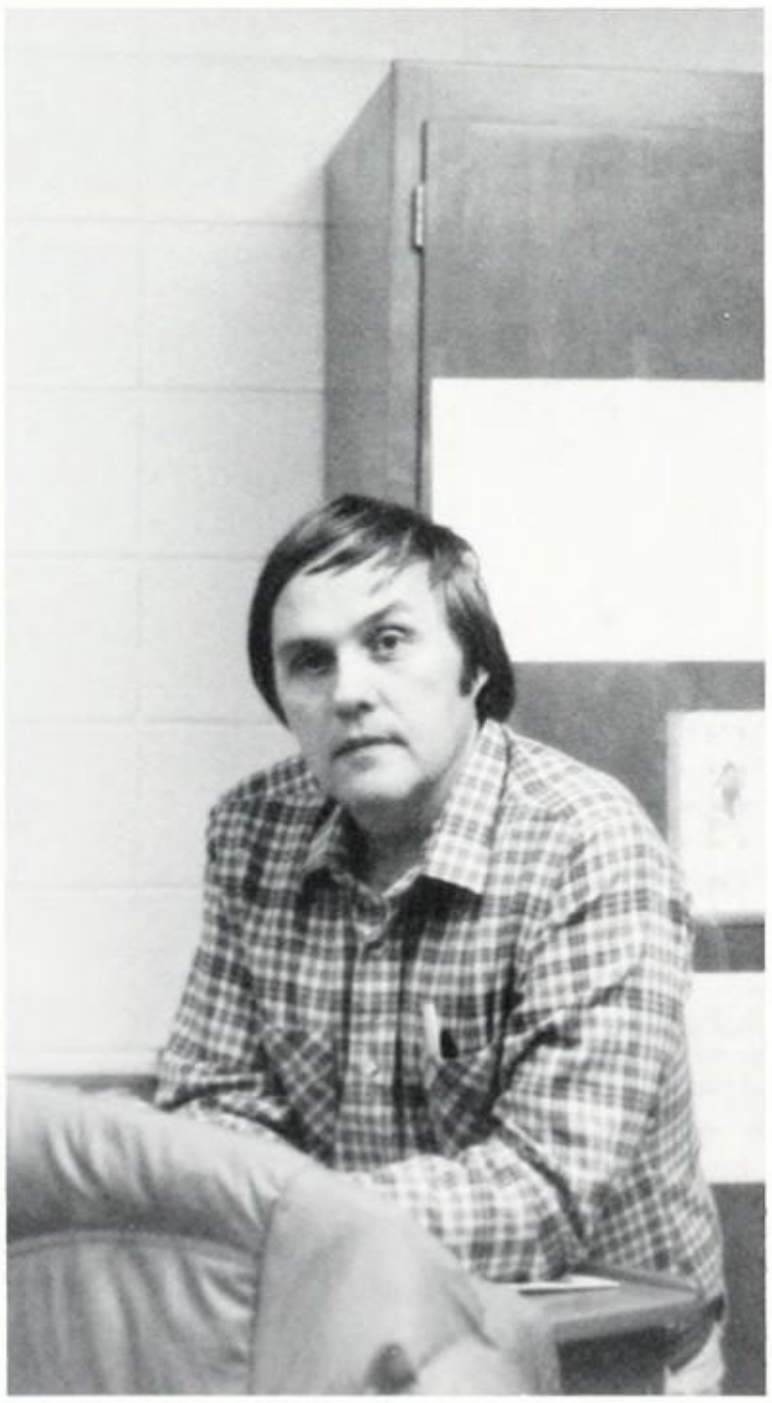
Again this year Mrs. Poe taught a computer programming class. South was really proud of this class. The upgraded value of this class was due partly to the math department being allowed more money for computers. This year South had eight; a step up from last year's two. The course offered was more advanced than last year's. This was South's best year in computer programming yet!

SCIENCE

Organic compounds, density, heat of reaction: If you know these terms, thank the Science Department. Science is a necessary part of everyone's curriculum during high school. Physical Science is the suggested course for Freshmen, Biology for Sophomores, Chemistry for Juniors, and Physics for Seniors. The Science teachers for 1983-84 were: Mr. Cavender, Mr. Aldrich, Mrs. Bradley, and Mr. Spencer.

SOCIAL STUDIES

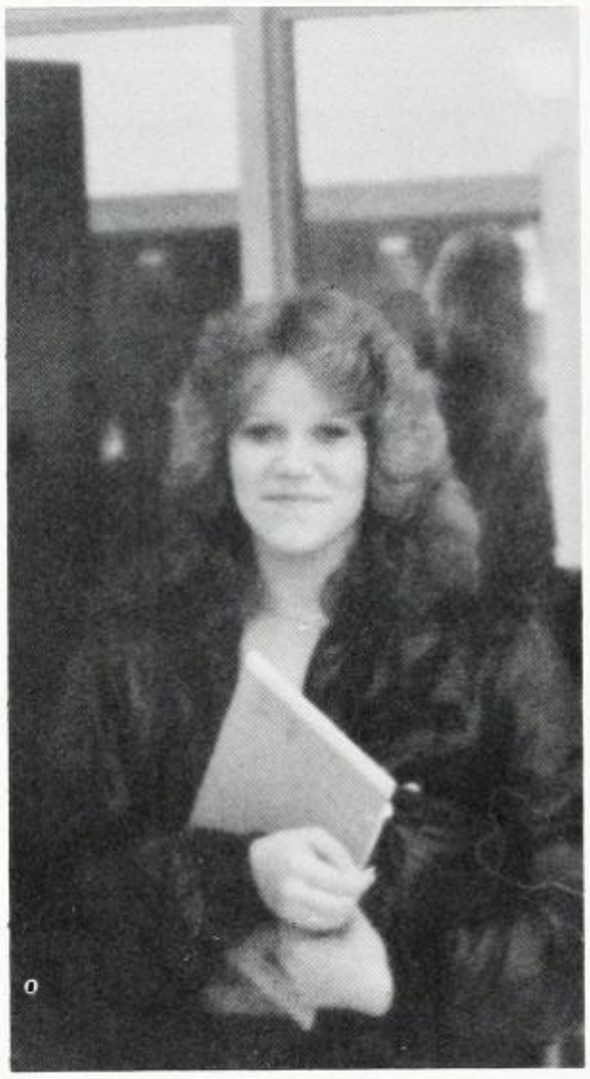
Have you ever wondered what people your age in other parts of the world are like? You can learn all this and more in a Social Studies class. The Social Studies teachers for 1983-84 were Mr. Harris, Mr. Best, Mrs. Pfiefer, Ms. McMillian, Mr. Galloway.



VOCATIONAL EDUCATION

South Brunswick has a large variety of courses offered in the Vocational Education Department. These courses are counted as electives on cumulative records. These courses include: Typing I & II, Accounting, Office Practice, Carpentry, Masonry, Marine Occupations, Agriculture and Horticulture, Home Ec., Distributive Ed., & ICT.

Many students choose to take these courses so that they can learn vocational skills and gain experience while acquiring an elective credit.



Business and Typing were popular courses at South. Miss Berkley and Mrs. Marlow taught these classes. Mr. Gore was South's Masonry teacher.

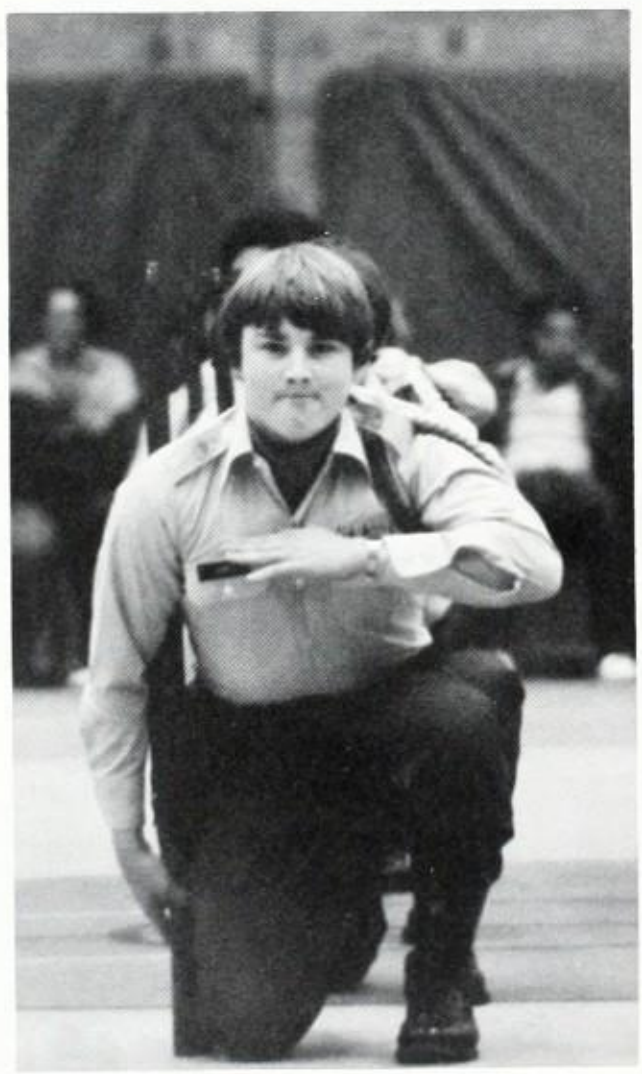
Future Farmers of America is a club sponsored through the Agriculture and Horticulture classes at South Brunswick. Mr. Bernard was teacher of these courses.

Mr. Begley taught Marine Occupations and Mr. Ennis, who was a new face at South this year, taught the Carpentry classes, Mrs. Mitchell and Mrs. Best taught Home Ec., Mrs. Mary S. Gore taught Distributive Education, and Mr. Ganey taught ICT.

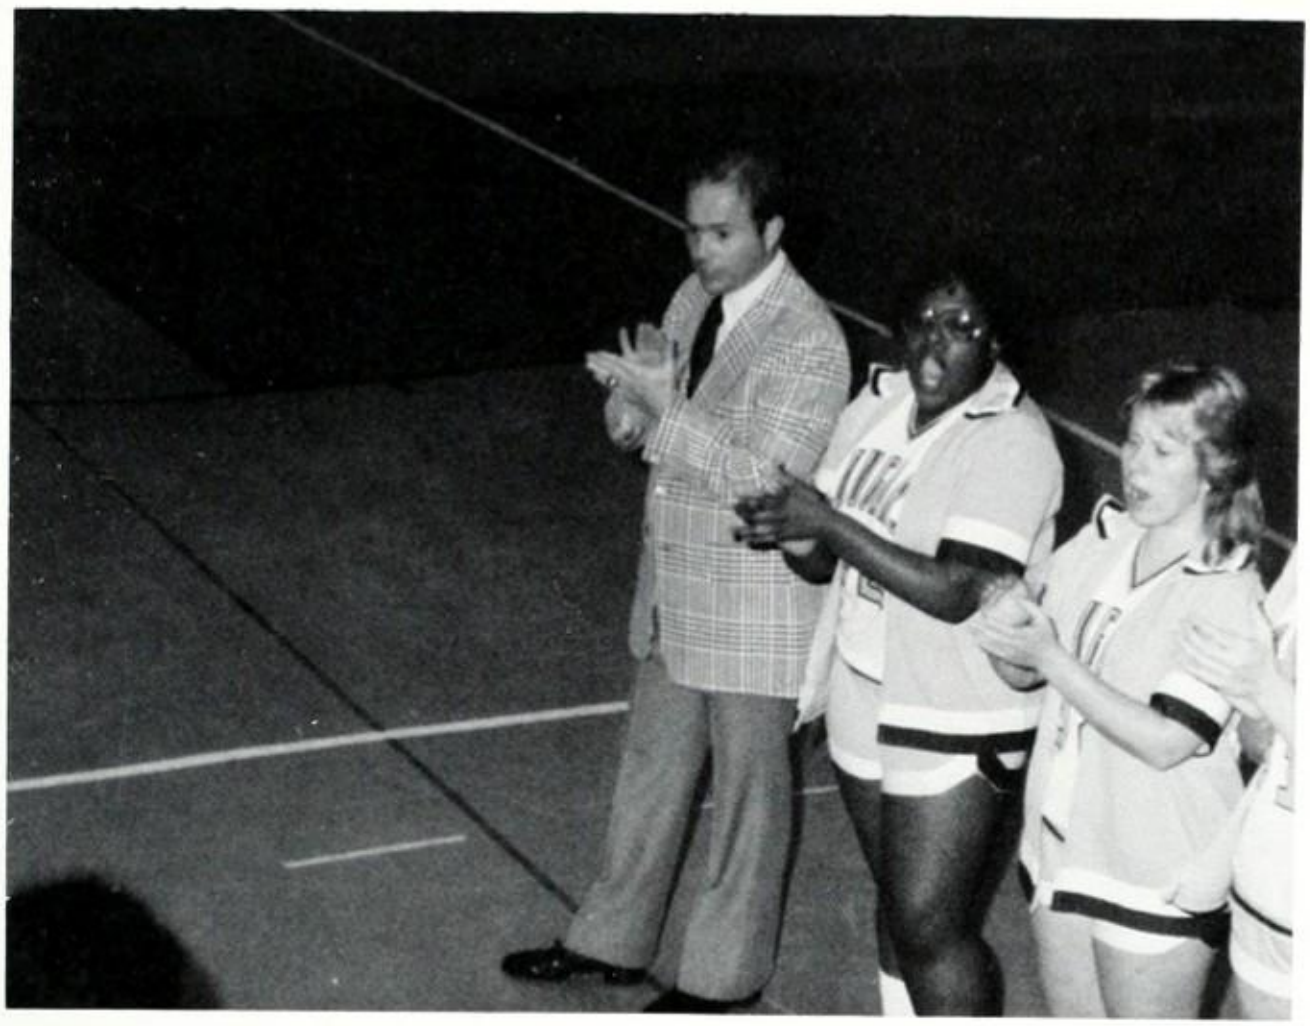
JROTC

Junior Reserve Officer Training Corps was an excellent program at South this year. JROTC was much more than wearing a uniform once a week or practicing drills. The program stressed leadership training, scholarship, and good citizenship. The rank system and award ceremonies were designed to reward students who best displayed these qualities.

Academics were an important part of the JROTC program, but field trips and extra-curricular activities also played an important part. This year there were three companies, in addition to Color Guard, Rifle Team, and Drill Teams. The JROTC program was instructed by Colonel William Faught and Sergeant Major Gerald Derr.

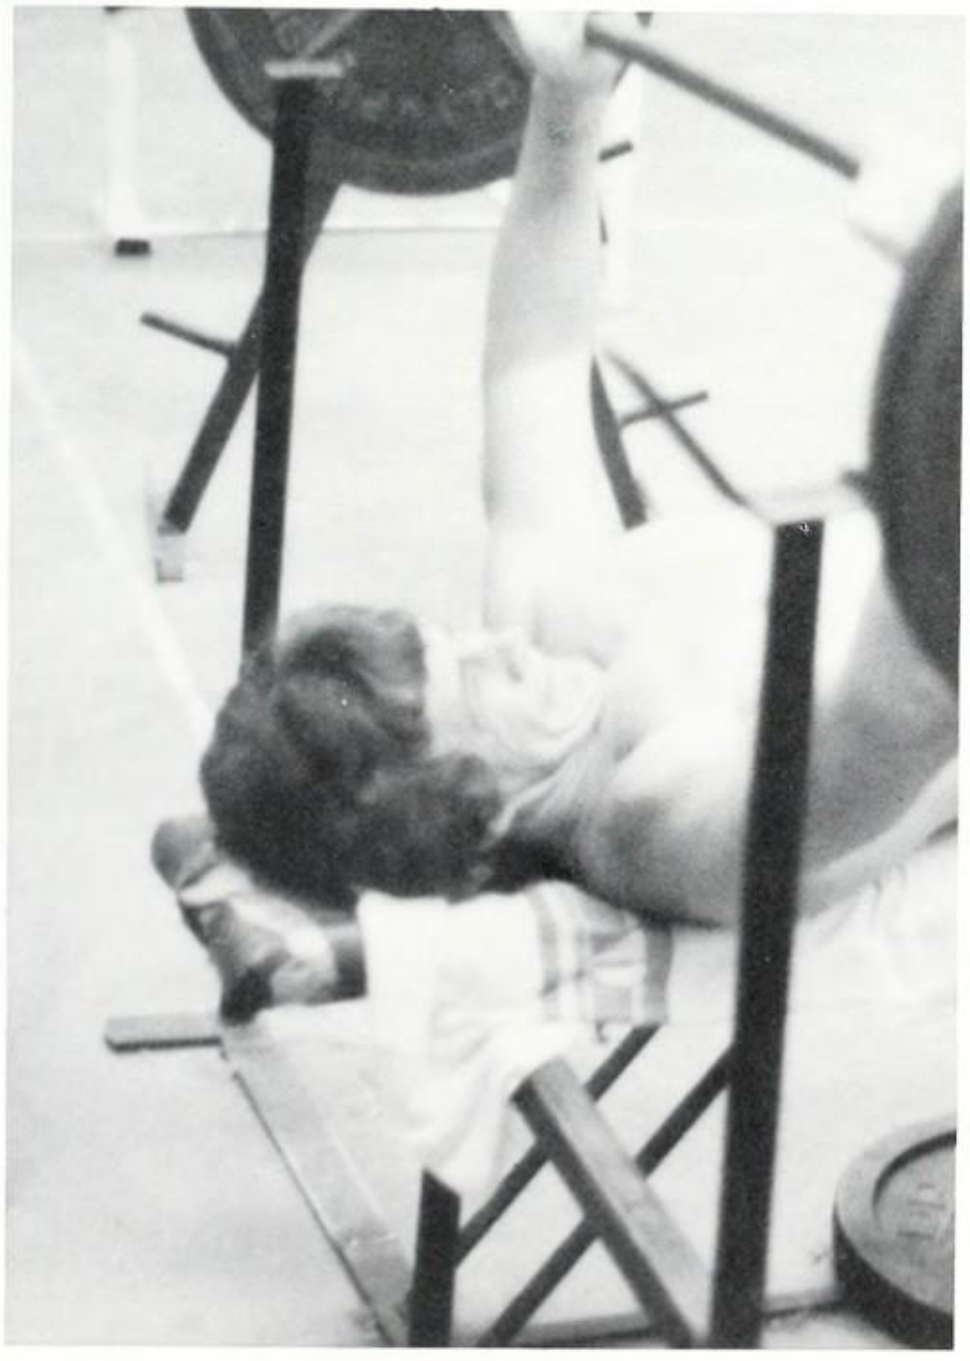


PHYSICAL EDUCATION AND HEALTH



The 1983-84 school year brought many new faces to SBHS. One of these faces were Coach Donald Andrews. Coach Andrews jobs covered those of being head coach and involvement in the Physical Education Department.

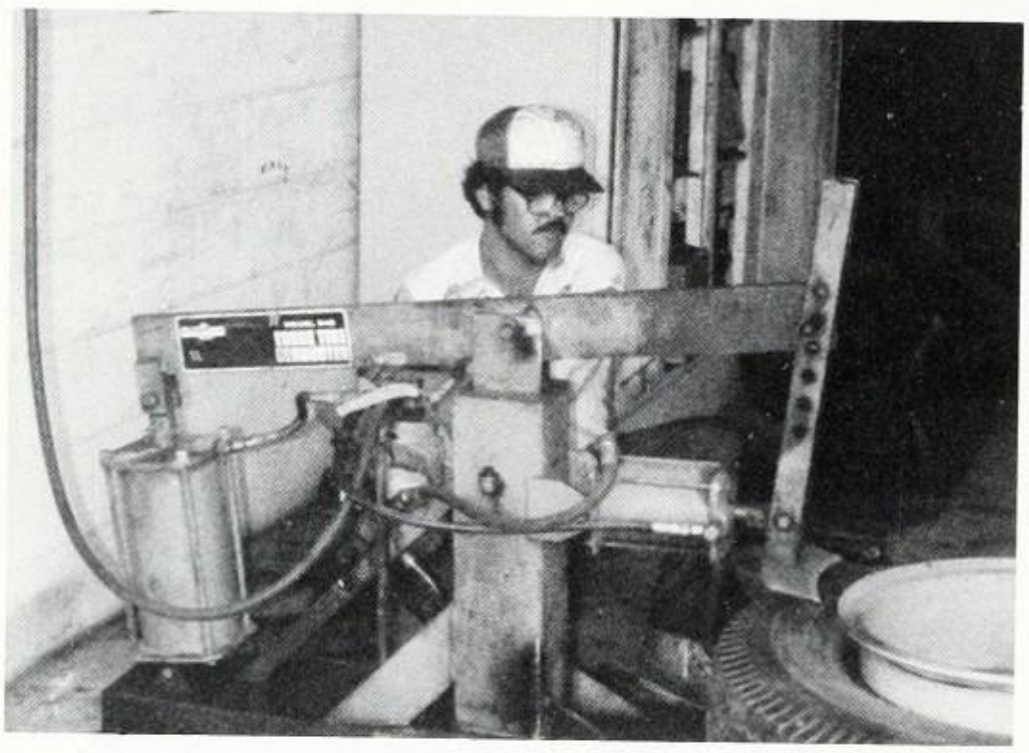
In High School, each student is required to participate in at least one year of Physical Education and Health. Many students often continue on to Advanced P.E., which includes weightlifting.



The 1983-84 Phys. Ed. teachers were: Coach Donald Andrews, Bruce Pfeifer, Joe Best, and David Neeld.

THE JOB PLACEMENT/ DROPOUT PREVENTION CENTER

The Job Placement/Dropout Prevention Center is federally funded through the Job Training and Partnership Act. It is a counseling center aimed at keeping high school students in school. This is accomplished by providing personal, vocational, and group counseling, job seeking skills, and job placement to students in certain target groups. Workshops are provided to students who are eligible to participate in such areas as career exploration, employability skills, parenting skills, and personal skills. Students work in a variety of jobs including secretarial aide, clerical aide, laborer, cafeteria worker, mechanic's helper, dishwasher, etc. The monetary gain provided by these jobs gives the student some incentive to stay in school and complete their education. It also improves the students' self-confidence and increases their chance of success.



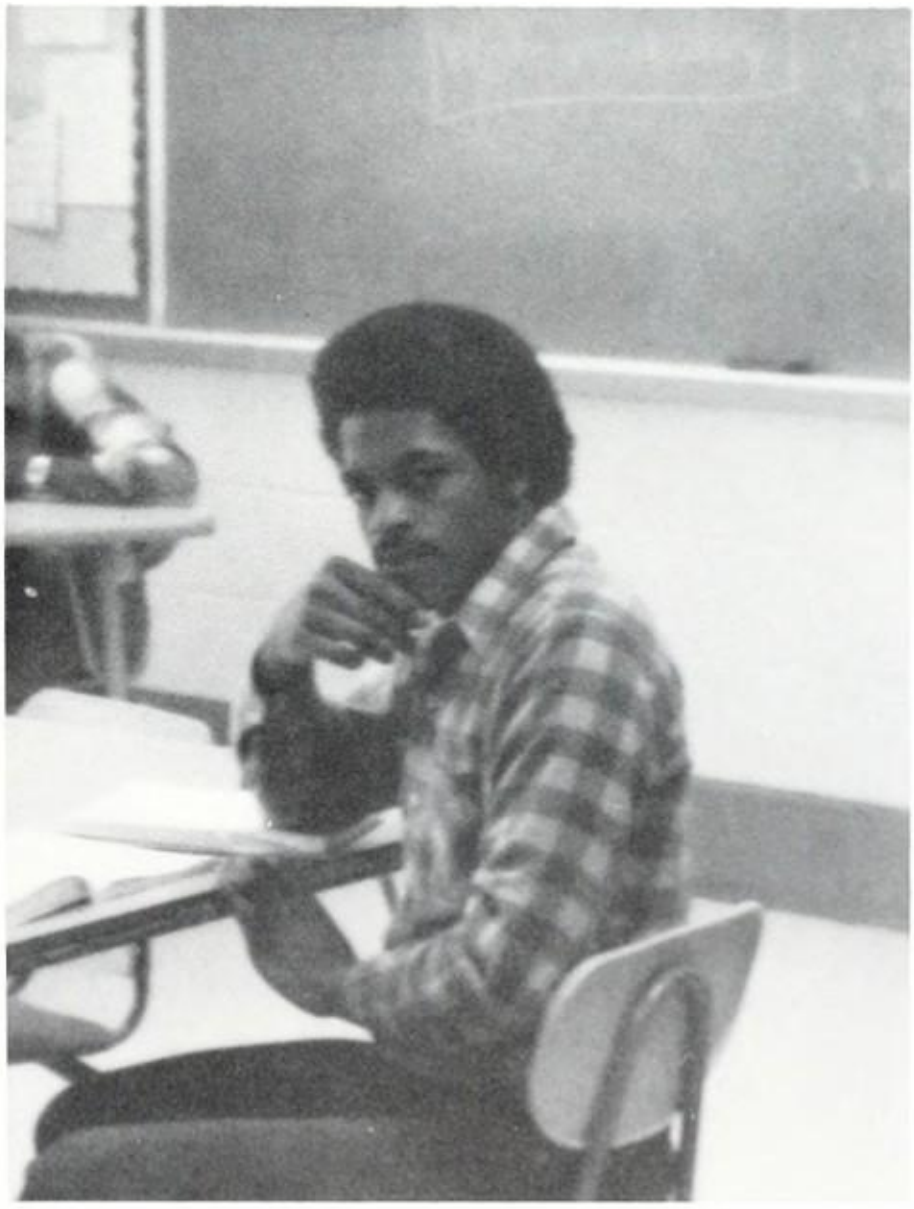
DRIVER'S EDUCATION

During high school almost every student will have been enrolled in a Driver's Education course. In this class, students learn the rules of the road and how to drive a car safely and efficiently. SBHS had two driver's education instructors this year. They were Mr. Robert Candler and Mr. Cliff White.

EXCEPTIONAL STUDENTS

When it came to education, South Brunswick didn't leave out anyone. South had special education and therapy classes. The therapy class operated five hours a day. This was the last year that the therapy class was located at the school. During the first of the year, it was moved to Shallotte Middle School.

The teachers for these classes were Mrs. Pamela Basnight, Ms. Susan Permar, and Mr. Kevin Lyons. Mrs. Jan Dawson was assistant to Ms. Permar.



EXTENDED DAY

Extended Day is a school program which gives drop-out students an opportunity to complete their education. Students attend school at night and are free to have full or part-time jobs during the day. The program provided is required course curriculum for graduation.

Students who complete the program participate in graduation ceremonies with day students and also receive official high school diplomas. Extended Day provides a reasonable alternative to dropping out for the those who would like to finish their high school education, but also must work a full or part-time job during the day. Mr. Hamerick is the coordinator for the Extended Day program here at S.B.H.S.

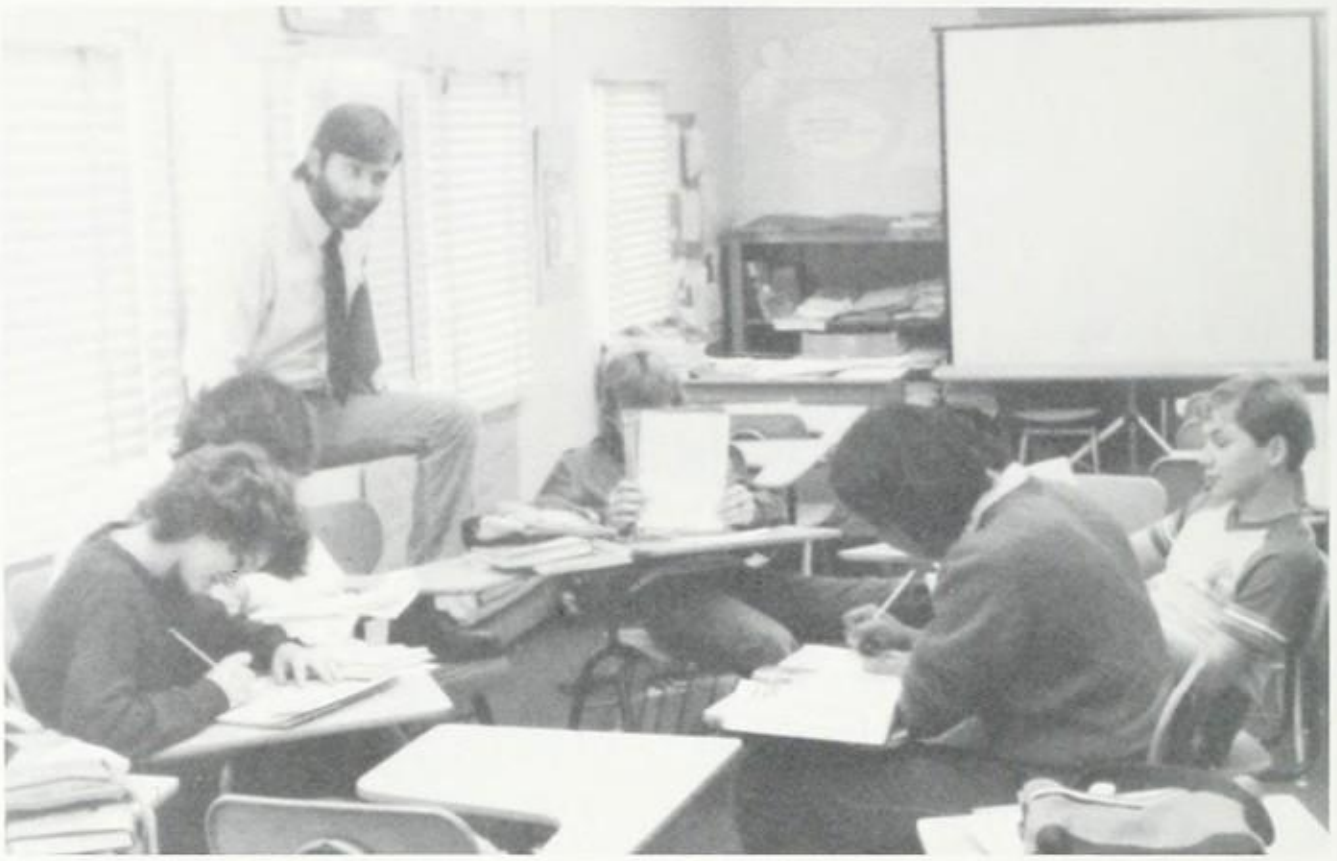
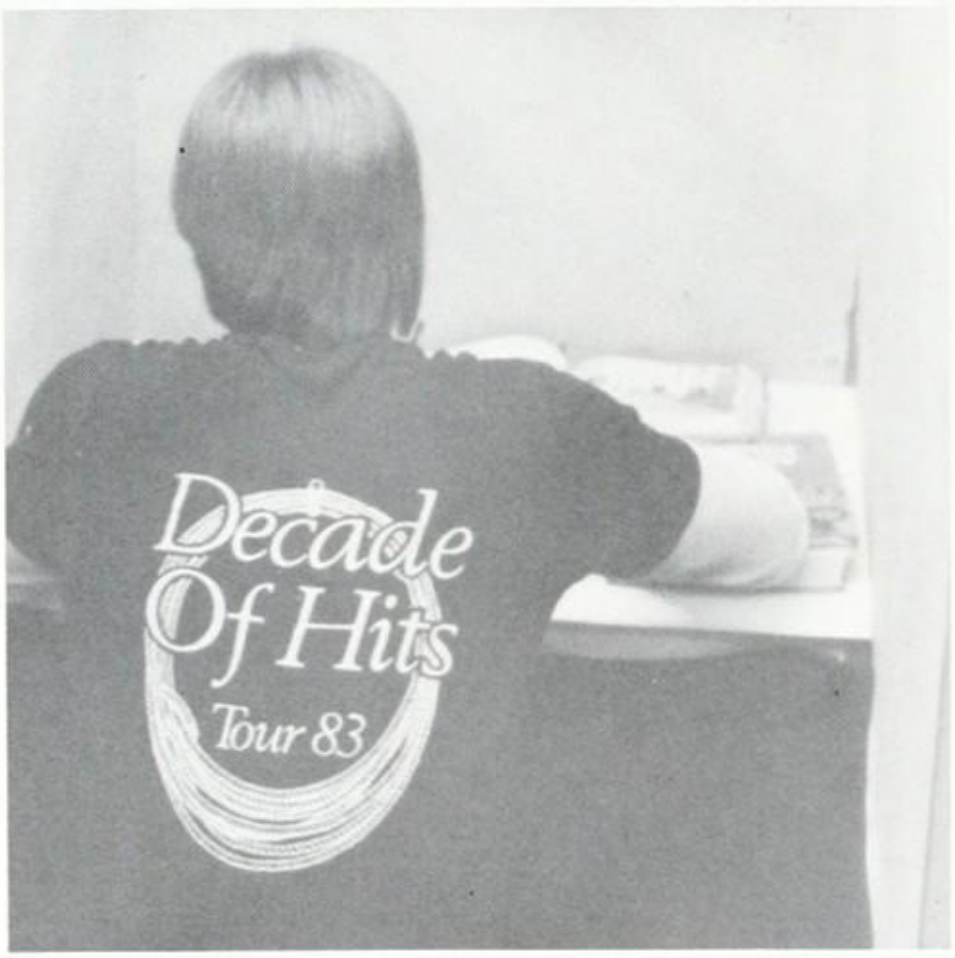
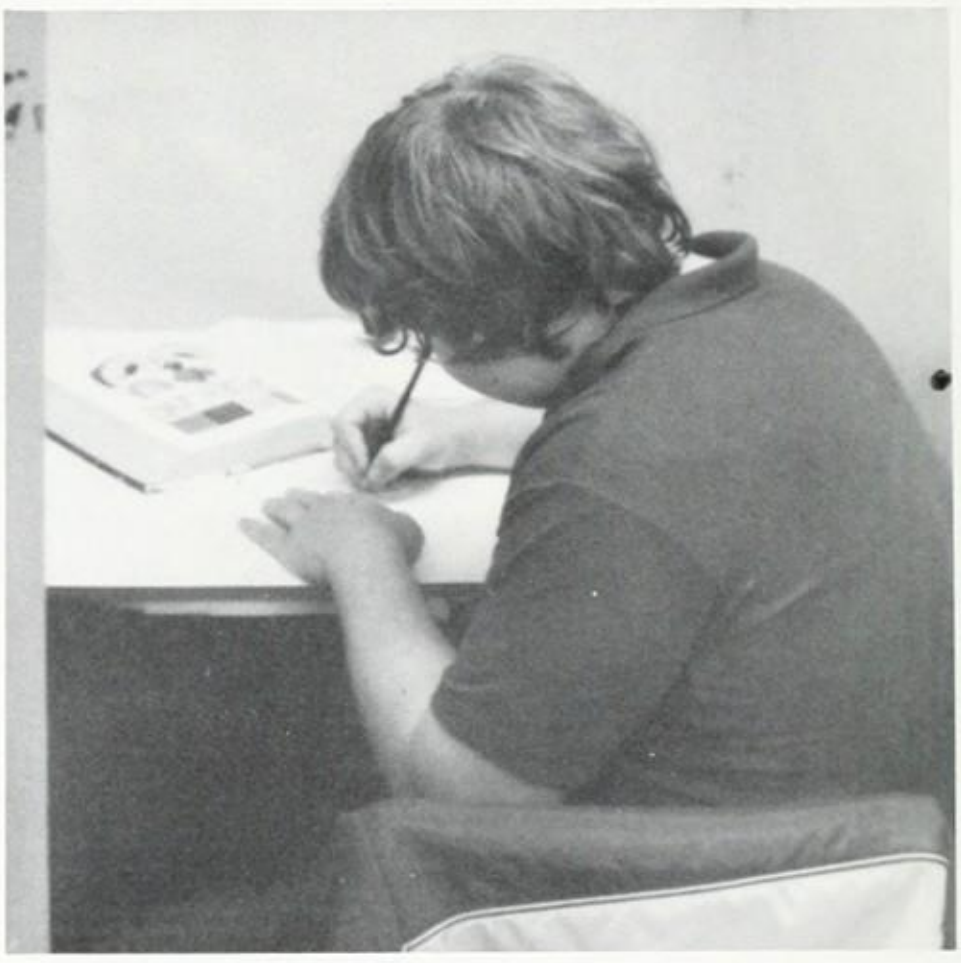
NEW MODEL ME

The New Model Me program at SBHS helped students to develop greater skills in making intelligent and informed decisions. After completing a semester of this program, many freshmen demonstrated significant gains in character, self-discipline, and a more mature ability to accept responsibilities. The students learned to understand to a greater extent the motivations behind their own behavior, as well as the behavior of other people. In short, these students developed skills necessary for living a fuller and more satisfying life. This program was instructed by Mr. William Ehlen.







IN-SCHOOL SUSPENSION

Commonly known as ISS, the In-School Suspension program offered many students the opportunity to remain in school, yet be punished for disciplinary problems. When a student was caught for skipping, excessive tardiness, or smoking on campus, he was sent to ISS. The student had to complete all of his assignments and was then allowed to return to his or her regular class. The ISS instructor was Coach Richard Graham. Mr. Bobby Spencer assisted Mr. Graham.

CLUBS AND ACTIVITIES

Michelle,
Well, for such a short time being here, it's been a really hectic time. I hope your life in California goes well, and

if not, remember all the nice "hicks" in NC. Don't forget me,

I'm the one who saved you from (S.S.) the social mistake. Also, don't forget – the night of the cold swim, the night of the "crooked" bowling, (I couldn't bowl straight anyway) and Prom nite. Best wishes + Good luck wherever you are,
Becky Best

STUDENT COUNCIL

The Student Council, the core of South Brunswick High, has had a very productive year. As well as planning activities throughout the year, they are responsible for scheduling fundraisers, insuring a festive Homecoming, and contributing a sense of leadership, spirit, and comeradeship.

The MAJOR objective of the Student Council this year was to involve students as a whole and as individuals in all activities, such as pep rallies and holiday events. Preparing students for a democratic society was another priority of the Student Council. Students had to "register" to participate in all school elections this year.

The Student Council strives to produce a feeling of pride, spirit, and loyalty to everyone at S.B.H.S.

(Below) Jason Spies, Scott Thompson, Mrs. Wynne, Sponsor.

The Student Council strives to make school a memorable and fun experience. Many students participate in Homecoming activities. Among the favorites were Punk and Tacky Day. Some of the participants were: Kim Dorman, Jason Spies, Terri Smith, Ross Jessup, Scott Thompson, and Mrs. Wynne, Student Council Advisor.

The groups played together at football games, parades, and other marching band appearances. Highlights of the year included the Christmas and Spring concerts, and the North Carolina State Band Contest in March. This year continued a tradition of fine bands at South Brunswick High School.

The Majorettes were: Candi Somers, Kim Dorman, and Ronda LaBelle.

SPORTS

VARSITY FOOTBALL

Although the Varsity Cougars closed out their season with a 1 win 9 loss record, the scores didn't reflect their play. The team played well in every game, and were an example of Cougar pride to every team that they played.

J.V. COUGARS

The 1983-84 J.V. COUGAR Football Team was a well-rounded group of tough, determined go-getters! Throughout the season, enthusiasm and spirit soared for this group. Pride is number one on South's list!

This year's J.V.'s worked hard and played tough. It is hoped that many of these young players will return next year to play Cougar Football!!!

Members of the J.V. Football Team were: John Justice, Mike Cierpio, Andy Hewett, Petey Swain, Lee Jenkins, L. Pankey, Stewart Mintz, Greg Gilloert, Rodney Brown, Bryan Spencer, Joe Ray, Todd Hart, Nathan Gore, Raymond Miller, Mike Cauper, Marty Moore, Price Clinginpeel, Robert Sullivan, Michael LeClerc, Patrick Blake, Dewley Taylor, Carey Martin, Todd Smallwood, Bo White, Keith Kennedy, Anthony Phillips, Lenny Smith, Ronald Pridgen.

Petey Swain takes it around the end against the Pirates.

VOLLEYBALL

Although the 83-84 Cougar Volleyball team didn't have a winning season, they played tough. The young players learned a lot. Coach Galloway feels that, although the team didn't fare well this year, they'll be a definite threat next year.

The team ended the year with a 6 win, 11 lost record. The Cougars won 3 of the 6 against Acme Delco; one against Hallsboro, and the other against West Brunswick.

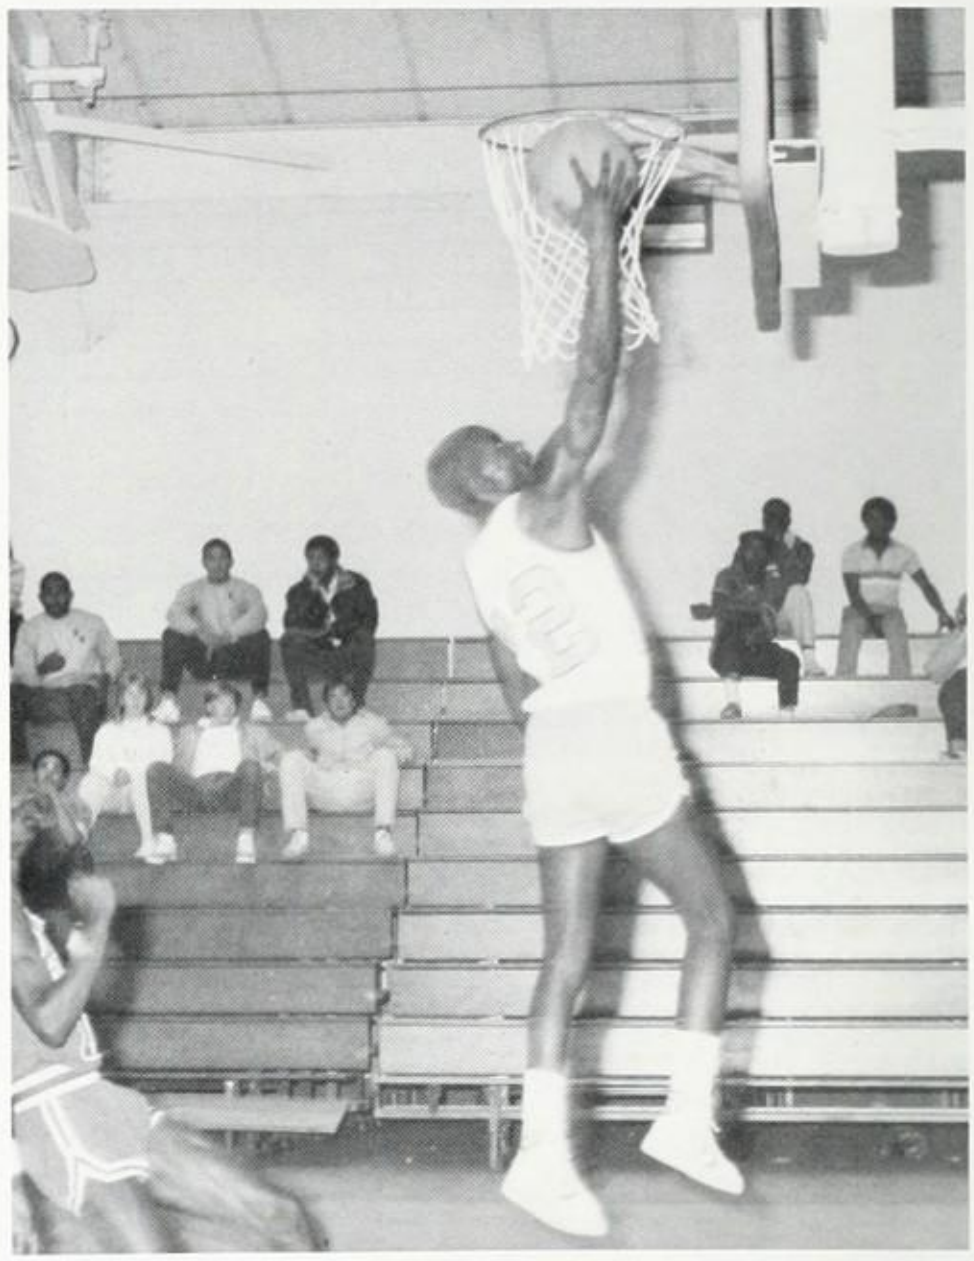
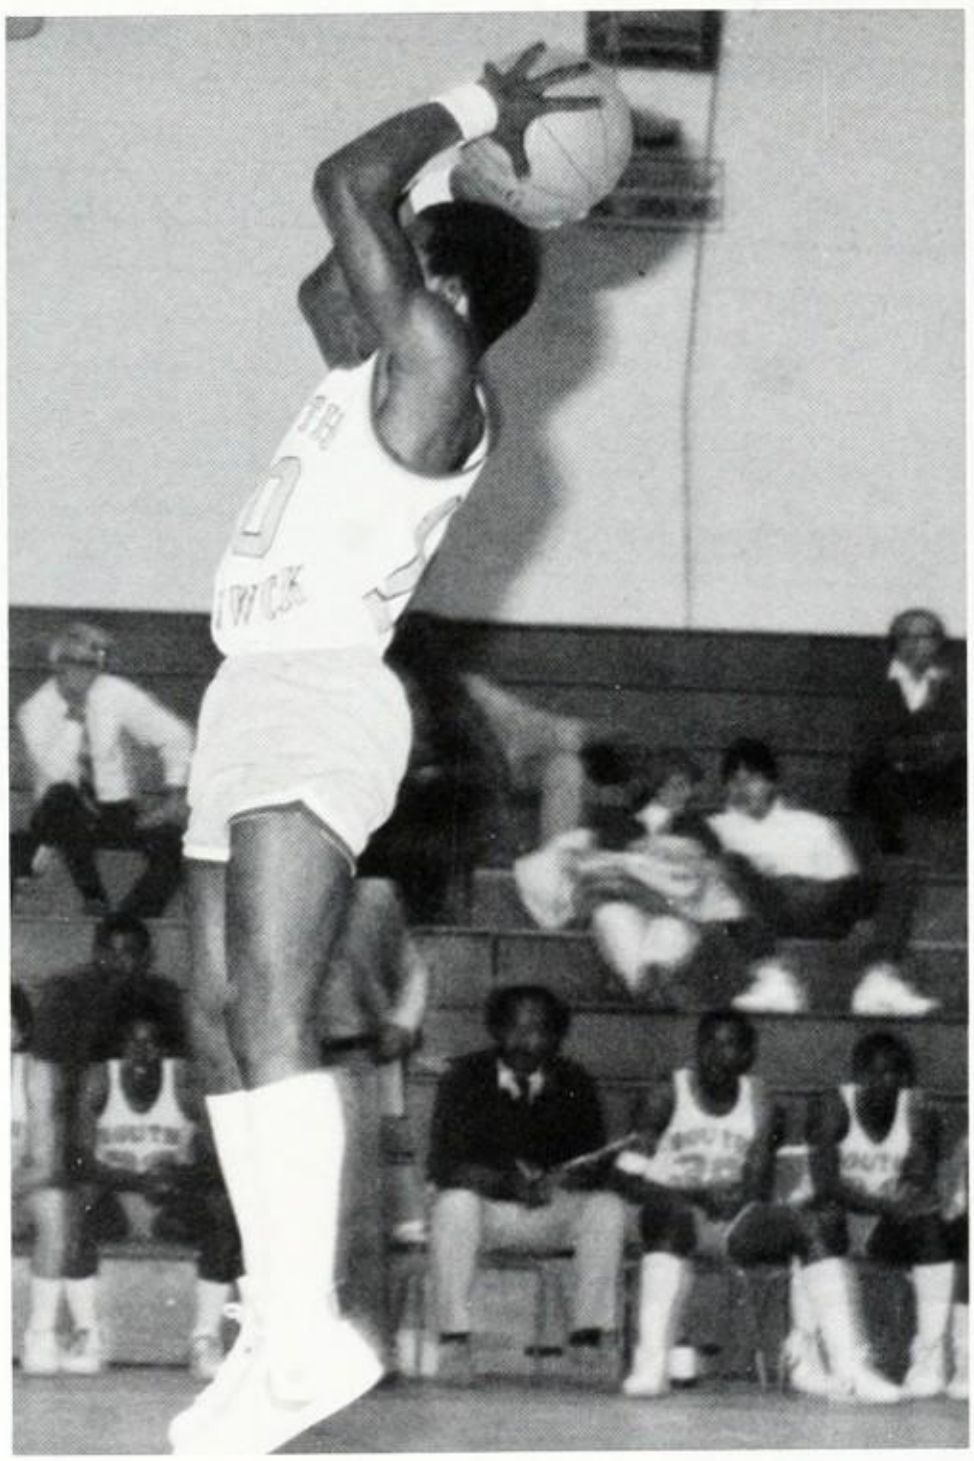
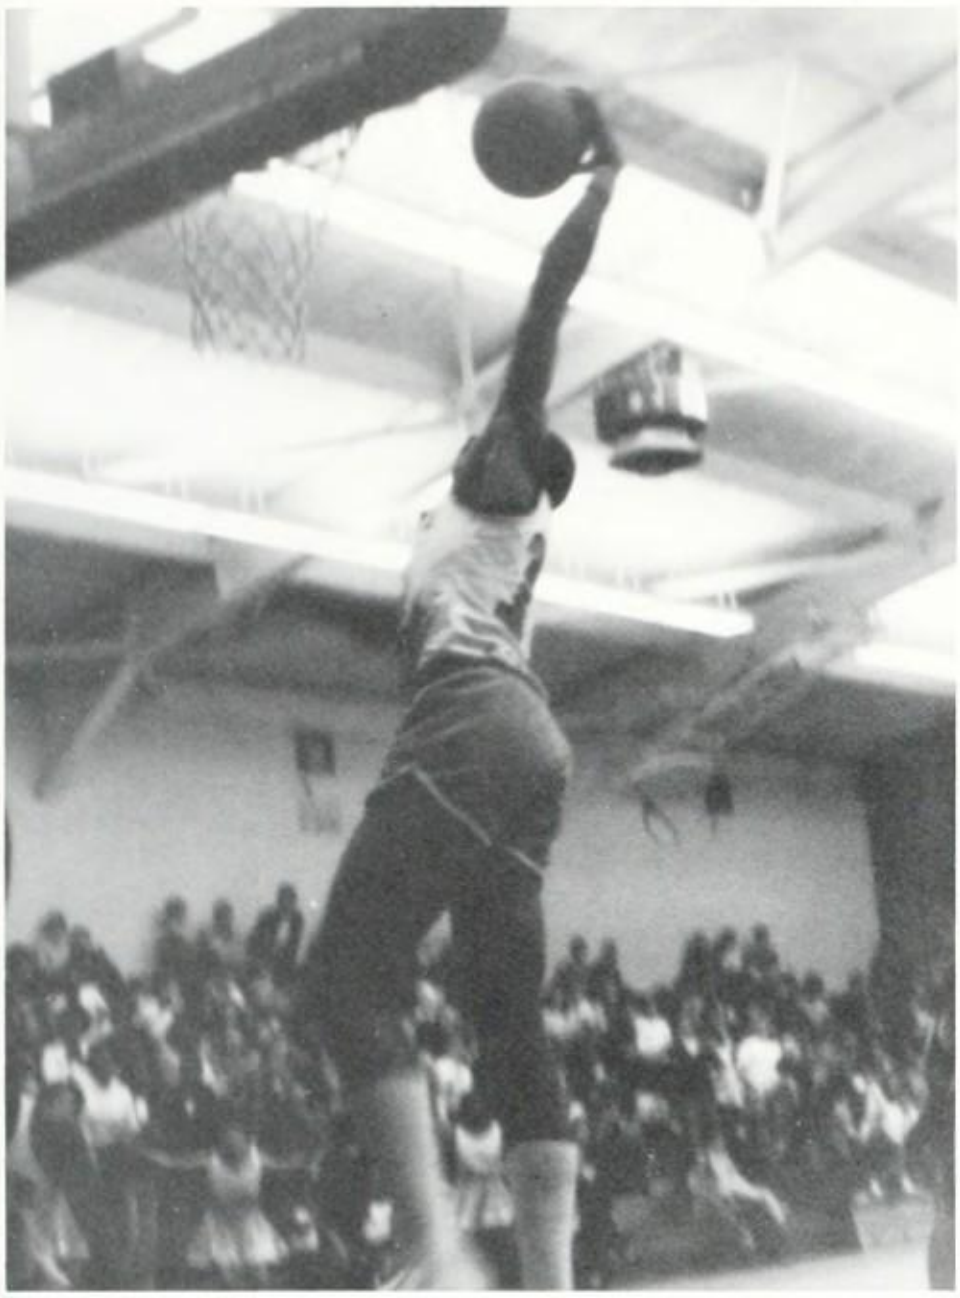
COUGARS ATTEMPT TO BUILD WINNING TRADITION

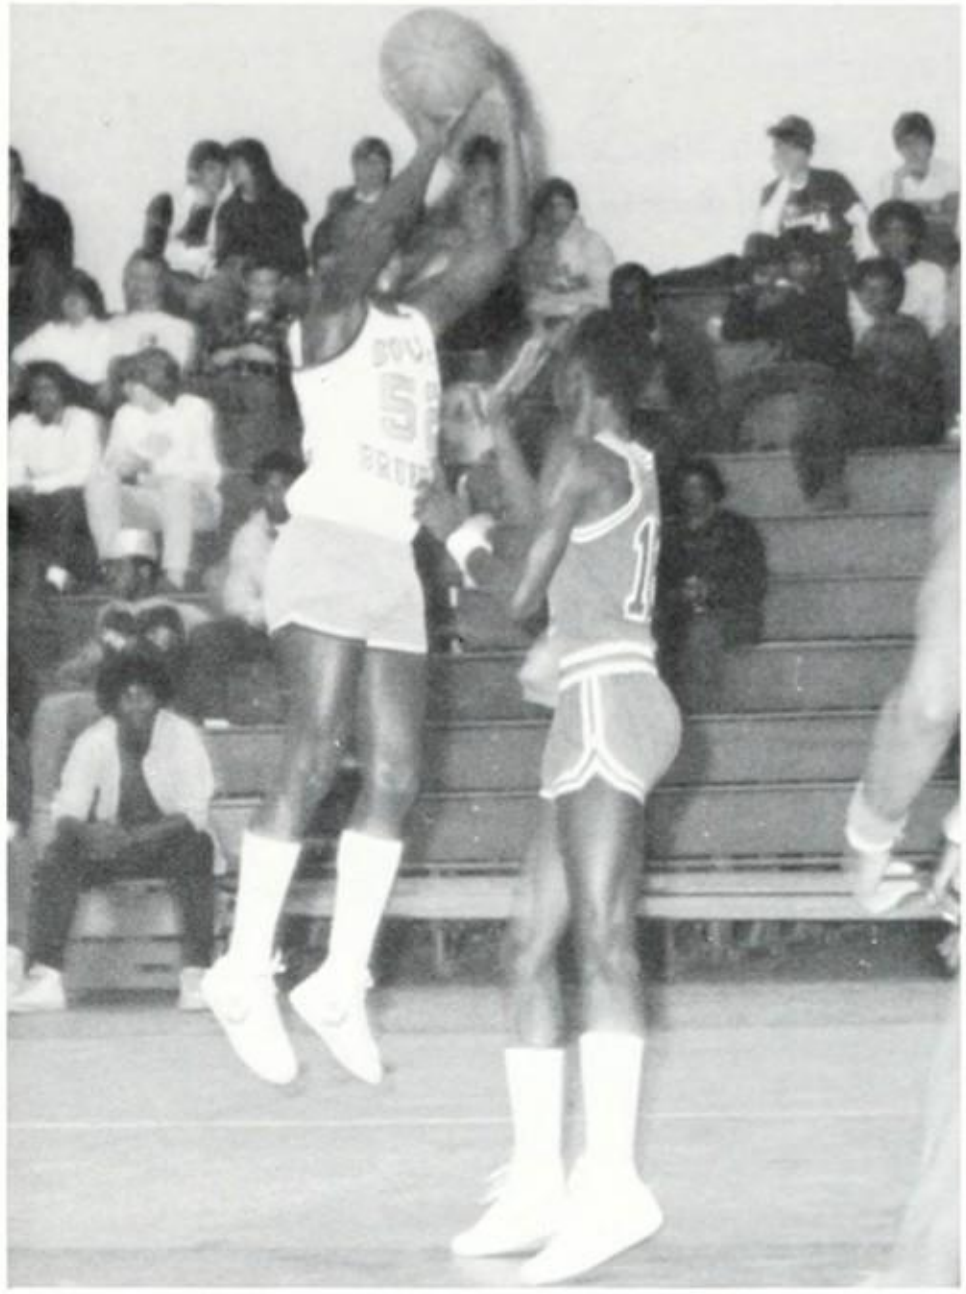
The 1984 Varsity Cougars have really played some thrilling games this year. With very close games against Hoggard and wins over North Brunswick and Hallsboro, the Varsity Cougars have had an exciting season. Coach Galloway comments that the team is learning to play real team-ball, but they have gone back to the basics in order to move on to bigger things.







David Floyd goes for the big one-hand slam!



In a home game, Charles Moore gets the jump shot against Pender County.

Adrian McCracken shoots over a Topsail defender.

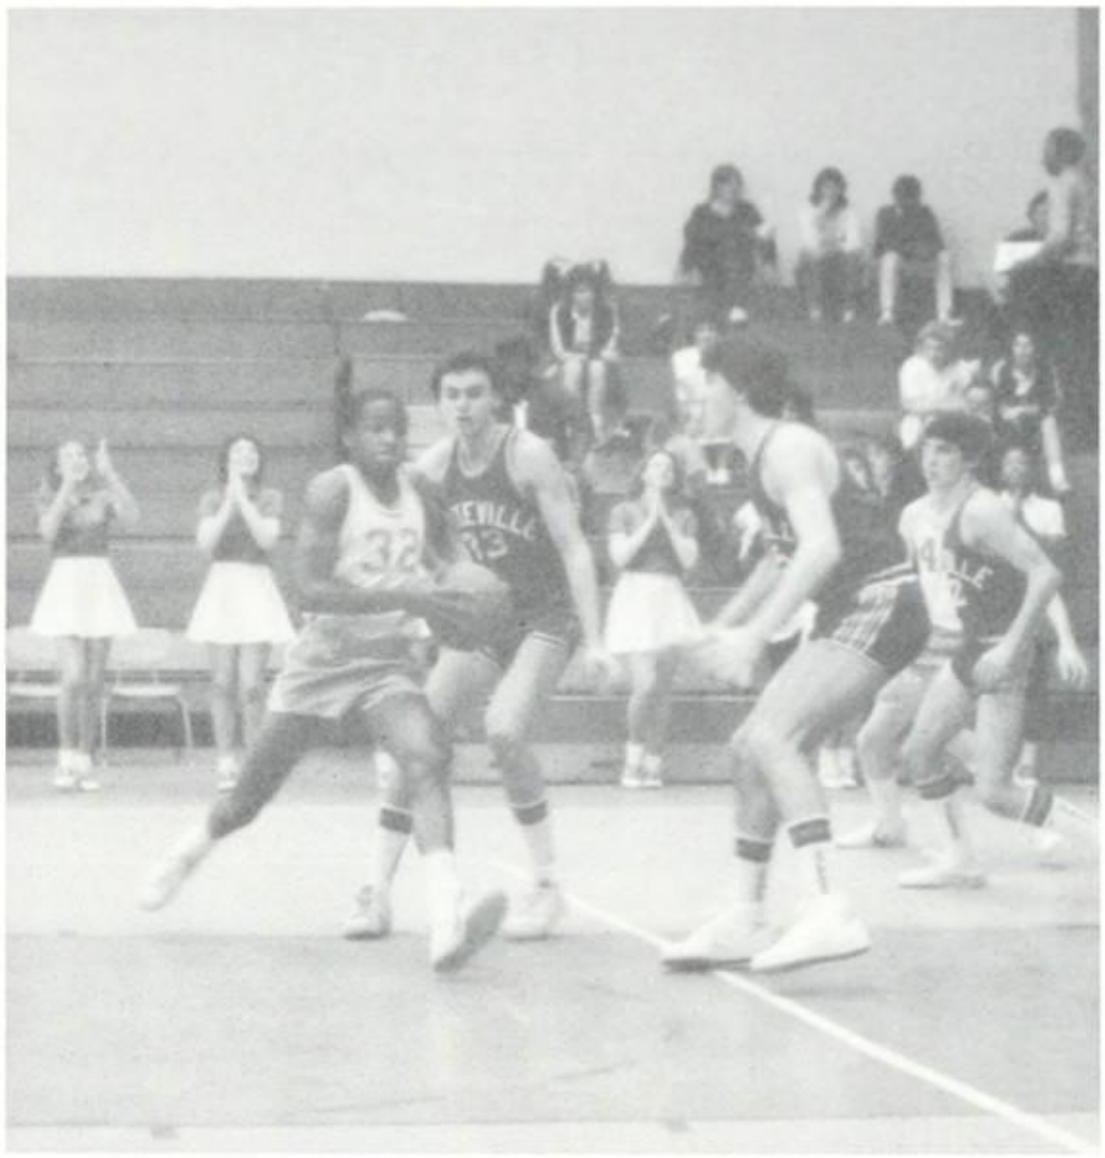
The Varsity Cougars had strong actions this season during games. Difficult plays and fancy footwork helped the Cougars to stay ahead of the game. One advantage for our team was the size of the players. Most were 6' and above in height and all were agile and quick.

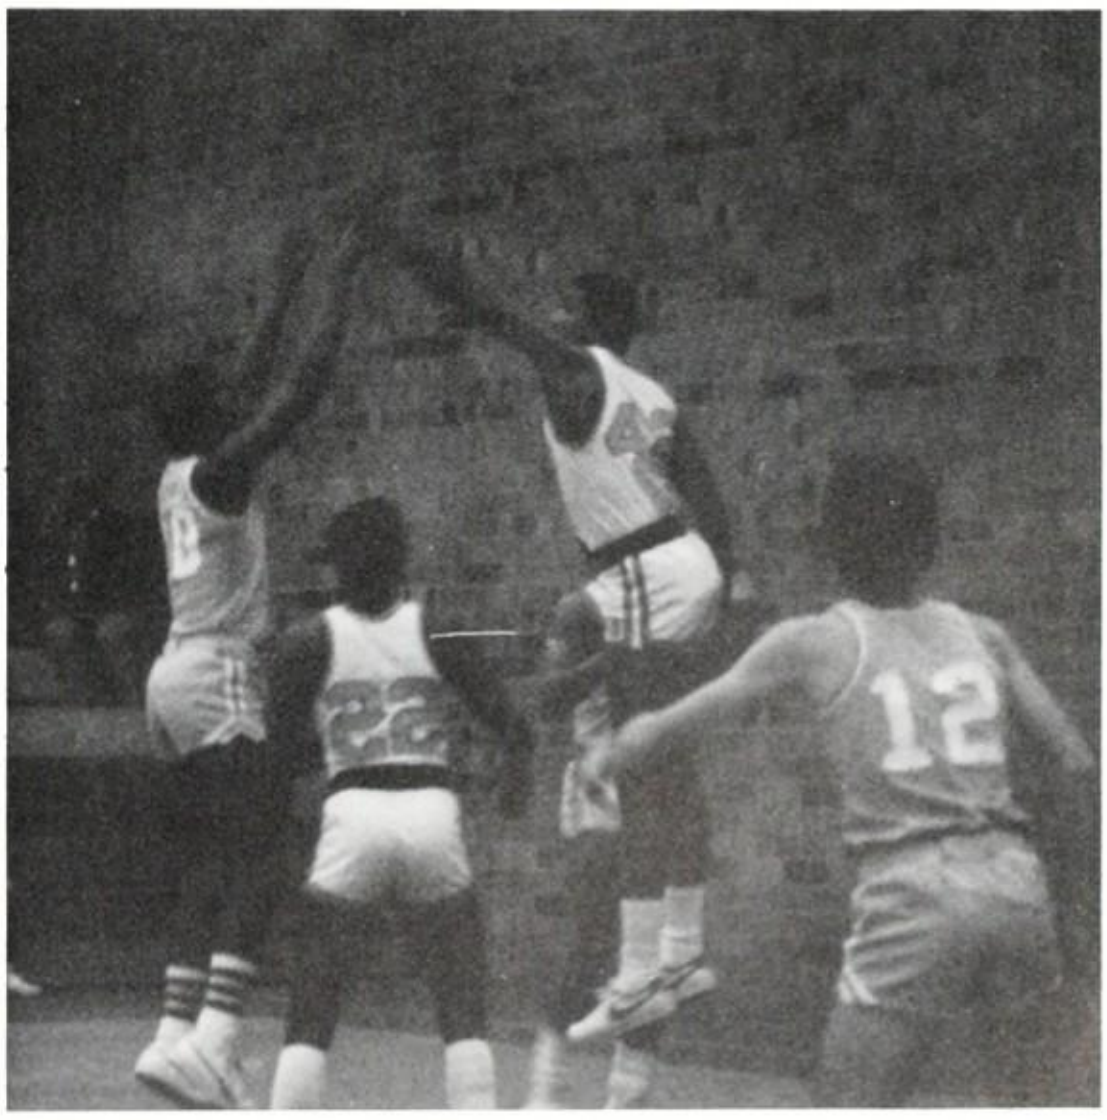
We were all proud of our Varsity Cougars and wish next year's team all the best.

This year's Junior Varsity Boys, with a record of three and fifteen, did not do exceptionally well. But they do possess a lot of talent. Leading scorers were Tony Harrison, Pete Swain, and Darius Wise. Charlie Sligh was the big man in the middle. Next year's team should be an improvement. Until then cougars!

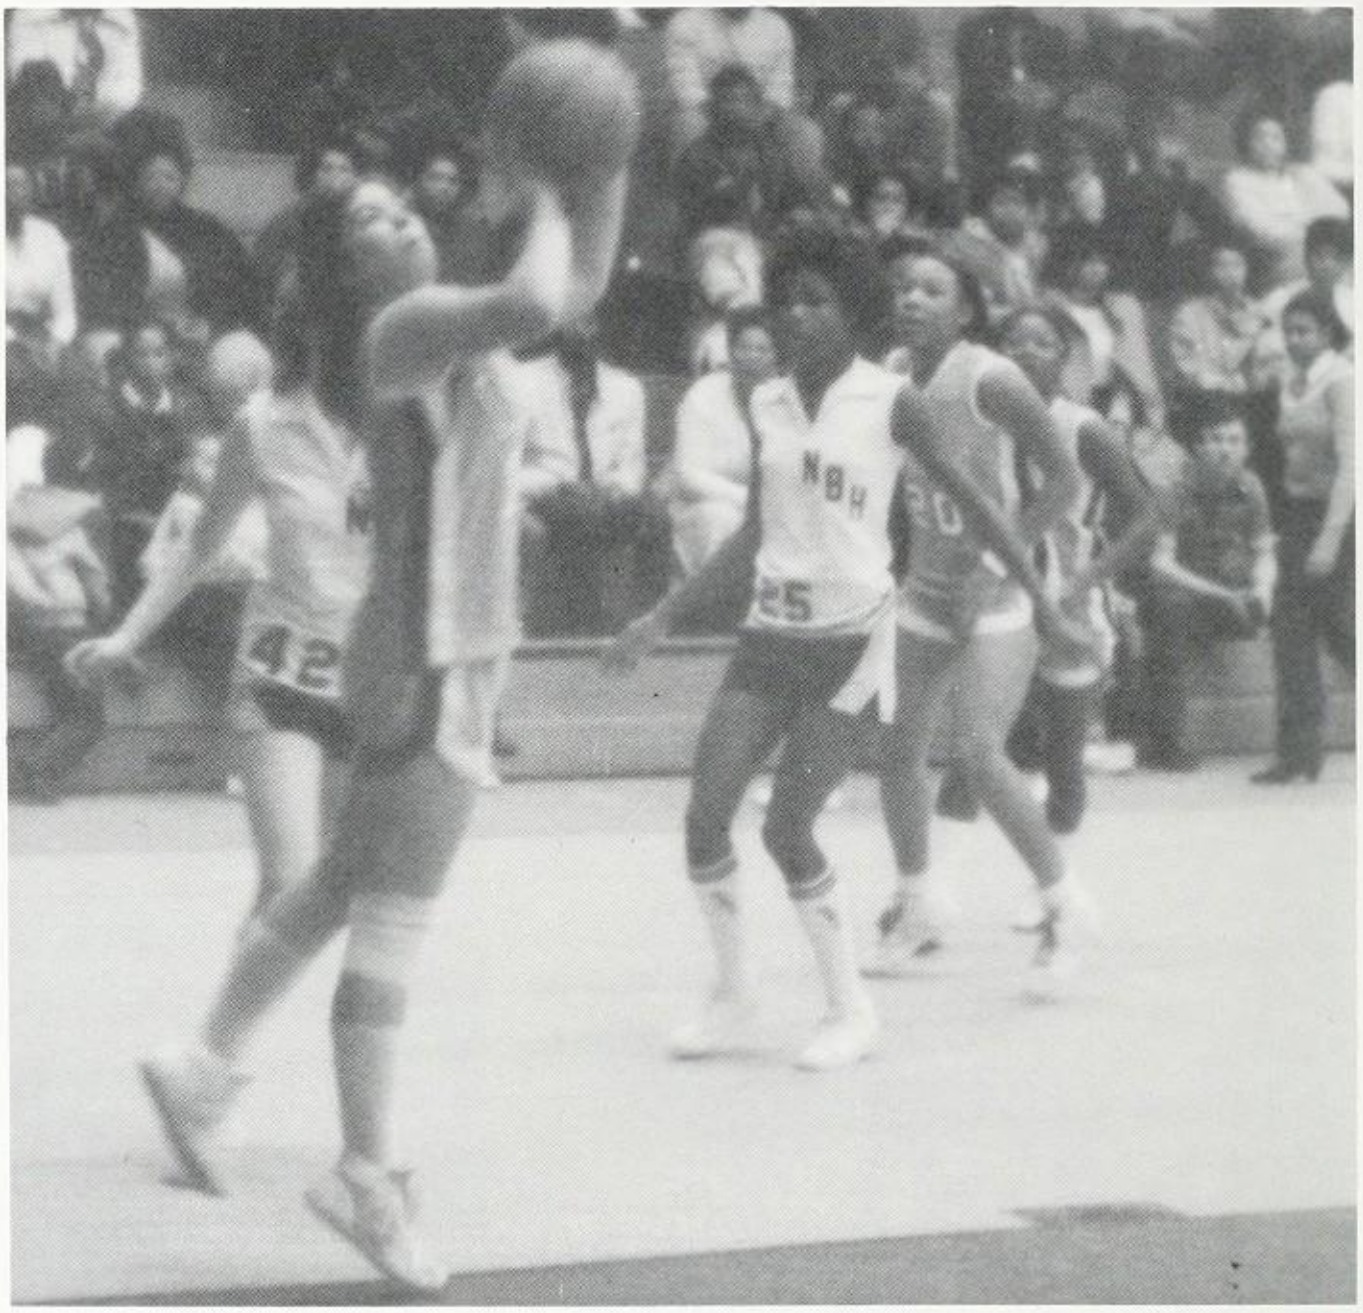
J.V. COUGAR BOYS

This years Junior Varsity Boys Basketball Team was: Charlie Sligh, Mike Watkins, Lee Jenkins, Pete Swain, Darryl Hartsfield, Donald Terry, Tony Harrison, Darius Wise, Michael Davis, Ronald Pridgen, John Clarida, and coaching by Rick Graham.





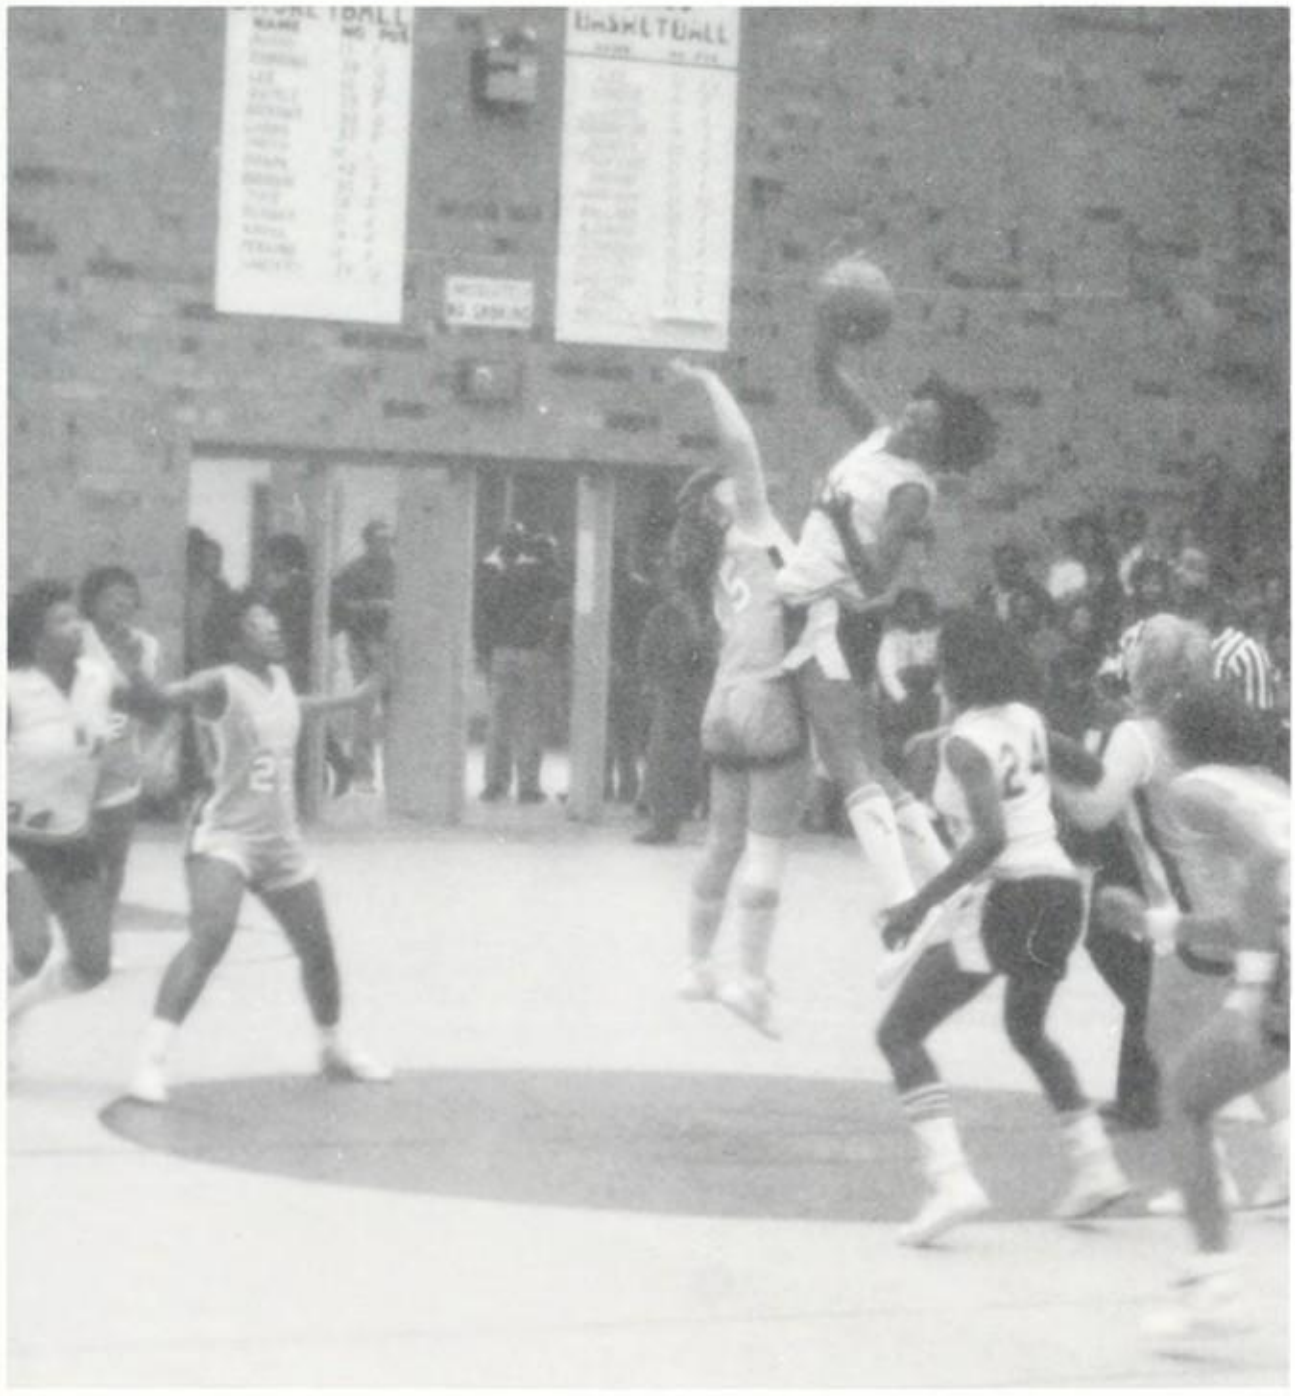
THE 1984 VARSITY LADY COUGARS



The Girls Varsity Basketball Team could boast of having the best record this year. They finished this year at seven and thirteen, and third in the conference. They even went on to play in the district playoffs but lost to Fairmont, 43-41.

Regina Jones distinguished herself this year, earning All-County and All-Conference honors. Regina also won a scholarship to Livingstone College where she will continue to play basketball.

Regina wasn't the only outstanding player this season, Emmy Clark received All-County honors also. The team's loss of these two very competitive players will be hard to make up, but like all champions, next year the team will be back stronger than ever!!



The Girls Varsity Basketball Team for the 1983-84 season were: Melissa Ballantine, Terry Annette Smith, Emmy Clark, Tammy Cox, Renee Harrison, Regina Jones, Stephanie White, Adina Jones, Ronda LaBelle, Sabrina Parker, Terry Marie Smith, and Deborah White.

The coach was Mr. Donald Andrews with statistics by Carrie Failor and Jennifer Kenny. Dan Jones was manager.

JUNIOR VARSITY GIRLS

The Junior Varsity Lady Cougars had only four games this season. Mostly due to controversy in the conference which no longer recognizes J.V. Girls teams. Because of this our J.V. Girls team could only play cross county rivals North and West.

Despite a lack of games, some players managed to make a showing; namely, Elizabeth McCoy and Regina Becraft. Tammy Hargrove also shows promise for next year. There is lots of work ahead for them though. Other team members were Tanya Jackson and Denise Miller. Yes, there were only five of them.

Most of last years players moved up to Varsity, along with most of the new talent from the middle school. Injuries prevented one player from returning while another no longer attends South. In the words of Coach Aldrich, "It was just one of those seasons." Donna Briggs and Tamy Gordon also helped out with the J.V. Girls.

VARSITY BASEBALL

Baseball is a very popular sport here at South Brunswick. There is always a crowd at the Varsity games.

It is hoped that the Cougars will be very successful this year. Anything can happen in baseball, it isn't surprising when an underdog defeats a favored team; so maybe our Cougars can go to the State or National Finals this year. GO COUGARS!!!

SURF TEAM

RIFLE TEAM

The 1983-84 Rifle Team was an outstanding one. It was under the supervision of Sergeant Major Derr, Commander Richard Stidham, and Executive Officer Mike Lanier. The team competed in matches against other teams during the year. Being on the rifle team was a challenging experience.

You had to have good aim along with good grades. It also took a lot of practice. In scoring, a member could receive up to 100 points in each position, with a perfect score of 300 points. Most members scored an average of 220 points.

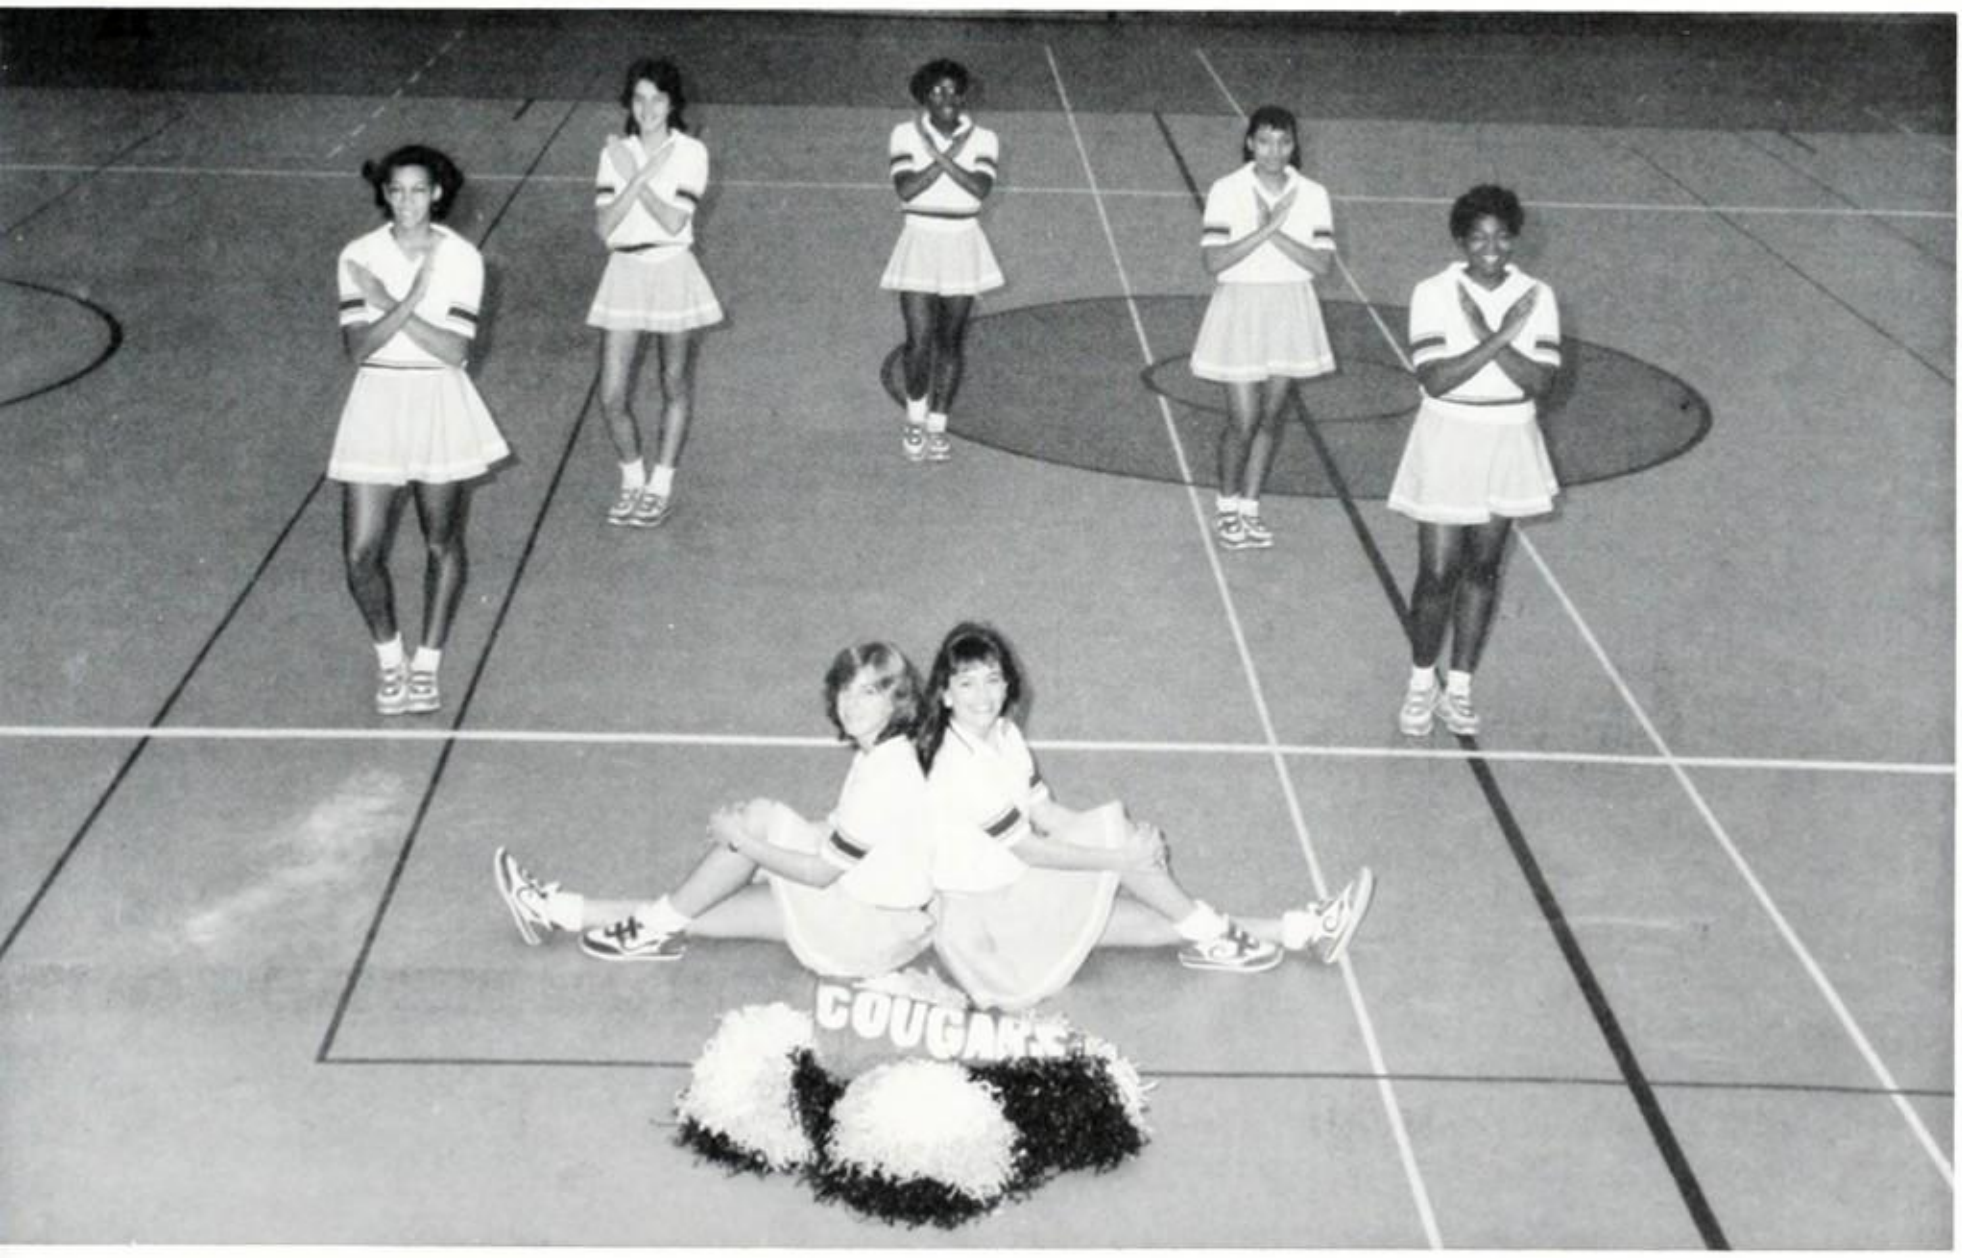
Members of the SOUTH BRUNSWICK RIFLE TEAM were: First row: Geno Hart, Clyde Arnold, Richard Stidham, Mike Lanier, Robert Sullivan; Second row: Ursula Badger, Pat Barnes, Ed Stalker, Danny Lewis, Anthony Brown, and Anna Flynt.

VARSITY CHEERLEADERS

The Varsity Cheerleaders entertained and excited us all year. They make cheerleading look easy, but if you talk to one of the cheerleaders about how much time and effort they put into it, you will be surprised. Chances are that if you stayed after school, you would see them practicing. How many of you feel like staying after school to work. Which goes to show that the Varsity Cheerleaders were a dedicated group!

GO COUGARS!!

The 1983-84 Cougar Cheerleaders were: Sabrina Swain, Tonya Moore, Carolyn Dawson, Candy Cain, Kim Price, Kelly Kincade, Alicia Morris, Sherri Dawson, Rita Daniels, and last but not least, Charlene Motley.



HEY GANG!! WE'RE THE COUGAR TEAM!!!

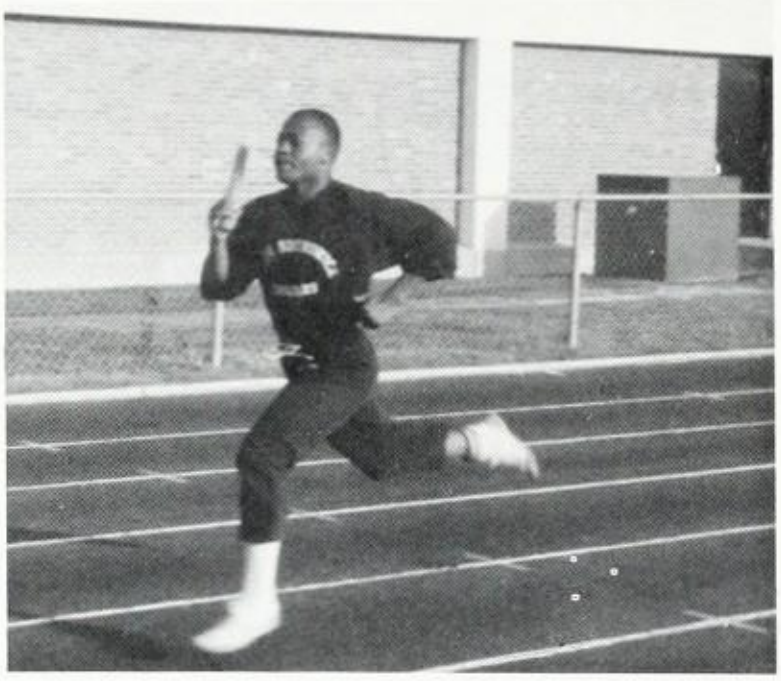
The 1984 JV Cheerleaders were a group of very spirited young ladies. Their support at the games really gave the Junior Varsity teams a boost. They showed spirit all year long and inspired many victories.

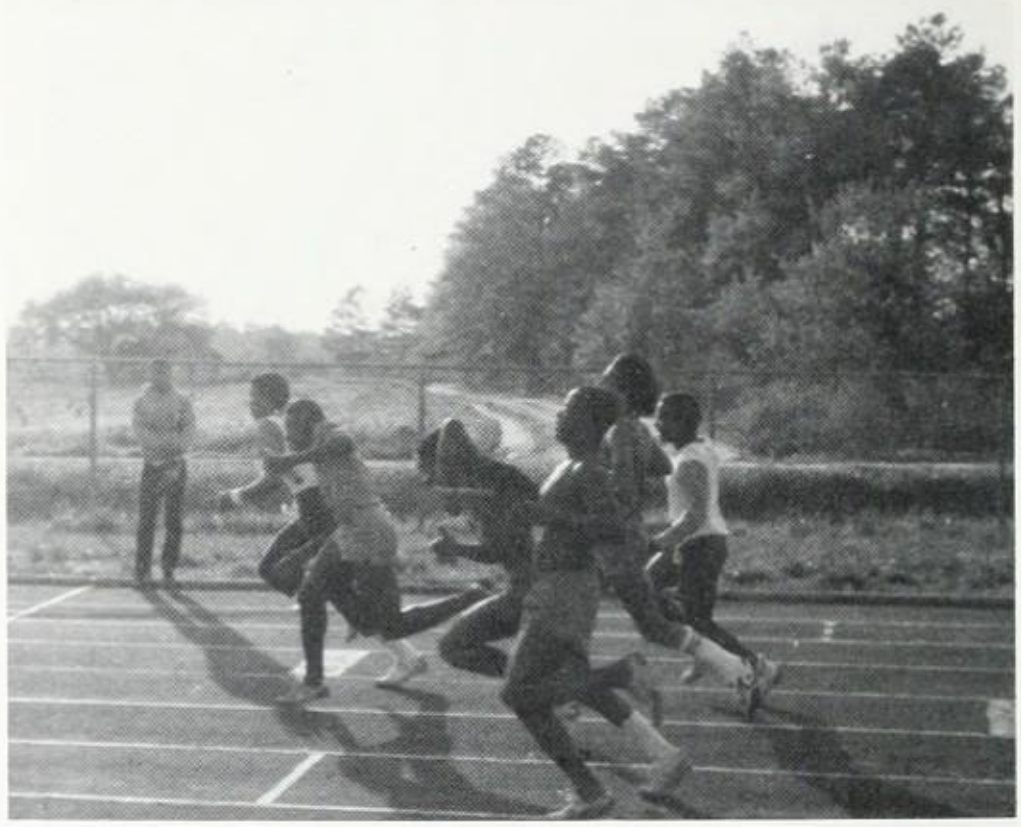
The members of the 1983-84 Cheerleading squad were (from top to bottom, left to right): Susie Creech, Shelia Crews, Rose Marie Gore, Susie Murphy, Chantal Wall, Sarah Quick, Leanne Coleman, Carol Brooks, Erica Angel, Lisa Caster.

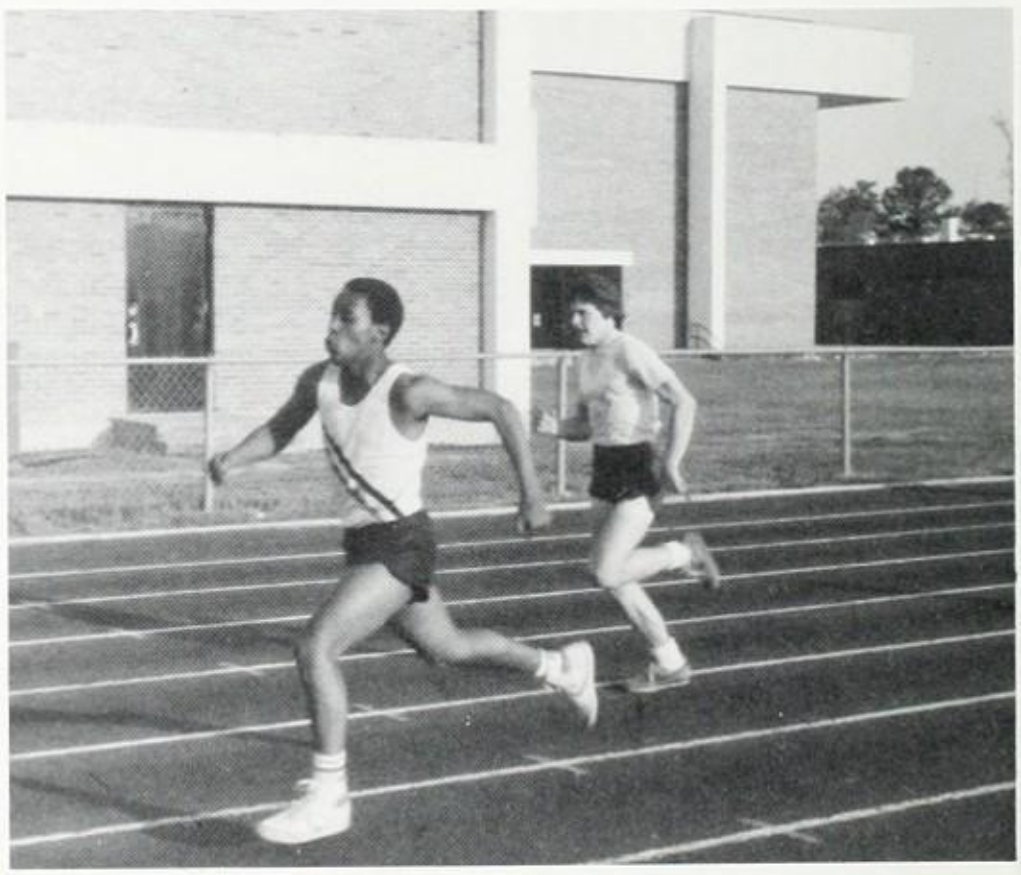
Left — Angie Wilson Barefootin!!!!!!

TRACK

Track is the perfect springtime physical activity for those who enjoy keeping fit and having a good time. Many of South Brunswick's students tried out for track. Track meets were held both at school and away.







EDITOR'S NOTES

Producing an annual is a process which requires concentration, dedication, and deserves creativity. It is a time consuming endeavor, but in the end, when the finished product has been delivered, there is a great sense of satisfaction for those who participated.

This year's annual staff worked everyday to bring to the students of South Brunswick a COUGAR STRIDES which they can be proud of! Layout drawing, photograph cropping, copywriting, and typing were an everyday part of the staff's job. Many times the staff members were distraught when asked about the annual, but most would say that the dedication and pride of the staff prevailed.

Your high school annual is a very important keepsake for your future. All of you at one time or another will want to reflect back to all of the good times at South Brunswick High School. The laughter, the jokes, the good times, as well as the bad, will all be remembered with a quick glance at this COUGAR STRIDES, VOL. XII.

The 1983-84 Annual Staff sincerely hopes that you enjoy this COUGAR STRIDES '84 now, as well as in the future!

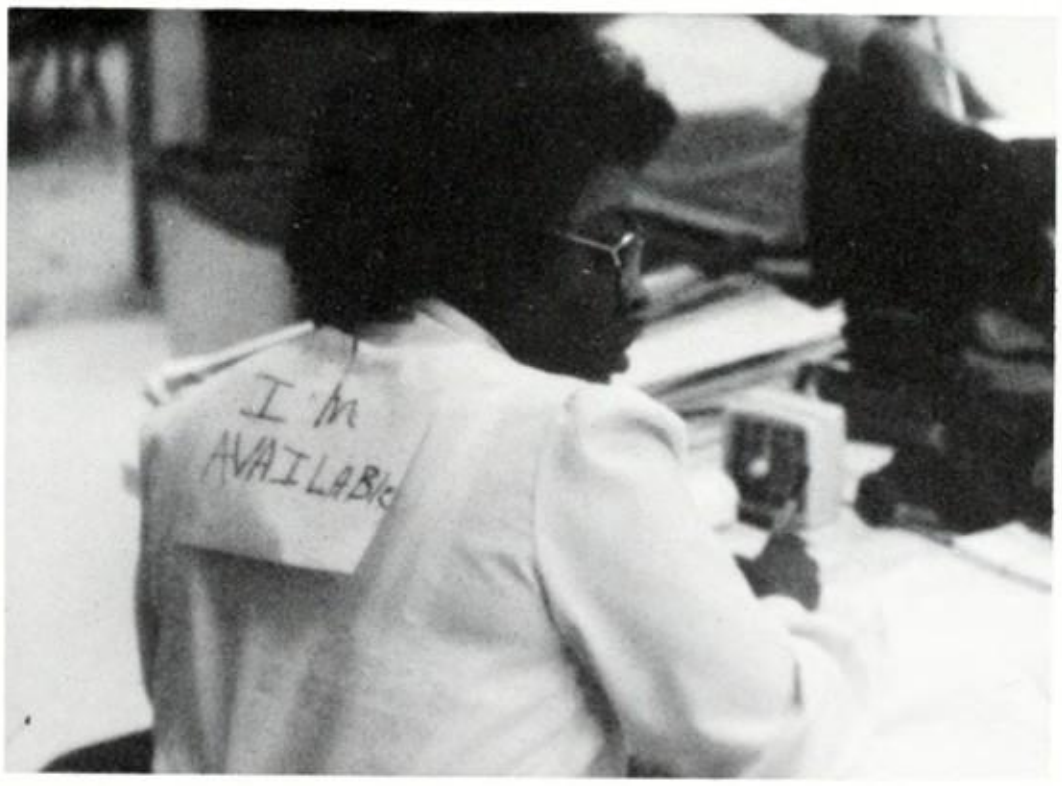
1983-84 COUGAR

The 1983-84 COUGAR STRIDES Staff had a very productive year. Although there were some problems and complications encountered along the way, the staff worked together to produce this annual for your enjoyment.

The members of the staff were: Karen Briggs (Editor #1), Laura Stone (Editor #2), Eric Trunnell (Classes & Sports), Byon Simmons (Academics & Faculty), Glenn Trunnell (Photographer), Jamie Huggins (Photographer), Travis Rabon (Classes & Editorial Staff), Jan Broadway (Business Manager & Editorial Staff), Michele Spencer (Classes & Editorial Staff), Christy Johnson (Faculty & Academics), Susan Price (Editorial Staff), Bonnie Smith (Editorial Staff), Todd Parker (Photographer), Randy Fullwood (Photographer), Lorri Bowling (Editorial Staff), Sandra Coats (Editorial Staff), and Miss Carolyn Berkley (Advisor).

STRIDES STAFF

The staff had lots to do this year. The job of the staff was to do copy, photo-cropping, and various other duties needed to complete pages. Miss Berkley was also very involved in checking each page and making sure the job was done right. She was also available for any other work that needed to be done.



Jan Braodway was Assistant Business Manager. She worked closely with Laura Stone to keep the staff's finances straight. She also typed copy for the staff.

IN CLOSING . .

All in all, the 83-84 school year was one filled with smiling faces and laughter. Students enjoyed pleasant breaks for reading, pep rallies, and just being together. Even our mascot, the mighty COUGAR, always seemed to have a smile on its face! And our principal, affectionately referred to as "the old Cougar," enjoyed a special surprise birthday party!

The party's over, and we've all gone home, but the memories of South Brunswick will always linger. Thus, this concludes the 83-84 COUGAR STRIDES.

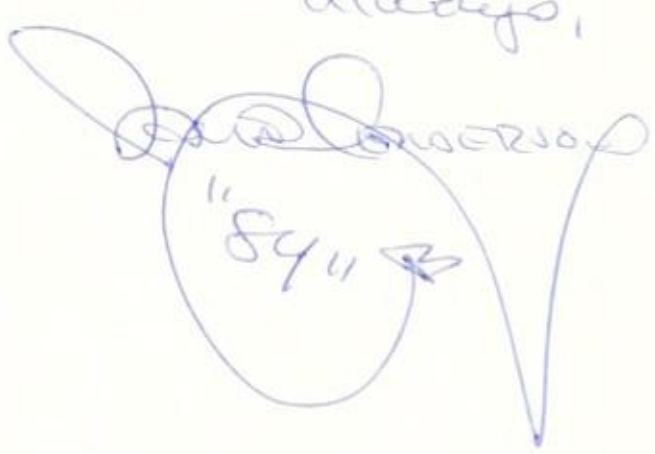
TO Michelle!
"(the exhibitionist)"-
I haven't known you for
very long, but what I
know I like. You're a
real sweet girl who
know how to party!
Wish you the best
in the future, you
deserve it! Have a
great summer.
your friend
always,



Michelle,
Ive only known
you a short time but
I feel we are pretty good
friends. Too bad you're going to
the Sorry West Coast, you'll miss
all our partying. Write!

Michelle,

I've only known you for 1 year, but in that year I have I have come to like you very much. You have a special quality that not many people have — to make me laugh when I am down. Thanks for being a friend. I hope that I get to know you more this summer. Come see me at the pool !!

Love,

John Sullivan
